

S. O. 3S.
(Student Organization and Study Skills System)
Contract for Success

Student Goals:

- Achieve academic success in all my course work
- Develop and use habits of a successful learner
- Develop positive character traits
- Become self-reliant

Everyone shares the responsibility for the student achieving the above goals.

Student Responsibilities:

- Demonstrate good citizenship
- Have good attendance
- Maintain my daily planner with all assignments recorded
- Complete all class work and homework on time and to the best of my ability
- Be prepared. Bring all my supplies to school every day.
- Read every night for at least 30 minutes
- Show effort and take pride in my work
- Follow directions
- Study for tests

Parent Responsibilities:

- Read all information that is sent home from school
- Sign any information, tests, etc. that is sent home for parent signature
- Ensure my student has all the supplies he or she needs
- Ask my student about school and look at their work
- Contact my student's teacher if I have any questions or concerns
- Provide a quiet place for my student to study and complete homework
- Sign the evaluation sheet in my student's bi-weekly folder

Teacher Responsibilities:

- Present a rigorous, standards based academic program
- Communicate with parents about questions and/or concerns
- Be clear about class and academic expectations
- Encourage student to do his or her personal best each day
- Maintain a safe and orderly learning environment
