Research Projects

Note

Limit 1 Research Project Per Semester

The paper must be a minimum of 5 double spaced pages with quotations and a complete bibliography. The research project must be accompanied by a class presentation that includes visuals. The presentation should be intended to instruct and inform your classmates on the subject you preformed your research upon. All papers and presentations must be done before the end of the 15th week in the semester.

Master Artist

\$5000

Create a research paper and class presentation about the life and times of your favorite artist. Include historical perspective as well as biographical information to add context to the artist and the works he or she created. Include information about the individual's impact upon the society in which they worked and on today's society.

Requirements

- Create a research paper and in class oral presentation about an artist that is considered to be a master at his or her craft.
- Provide biographical background about the artist
- Provide historical content about the environment in which the artist worked and include some of the influences on the artist style and subject matter.
- Provide your personal opinion and evaluation about the artist and his or her works.
- Create a PowerPoint presentation that features a collection of the artist's best works to accompany the oral presentation.
- Present to the class the collection of works by the artist along with a summary of the artist's life and influences.

Art Career

\$5000

Create a research paper and class presentation about a specific art career. Include any information about special skills and training that is required to obtain the career position as well as salary and job descriptions.

Requirements

- Research and report on an art related career
- Include detailed information about the career including salary ranges, hiring requirements and job availability.
- Include a full description of the job function and educational level required.
- Prepare and deliver an oral presentation to the class about the career.

The presentation does not have to include visuals but can if you desire.

Art Education

\$5000

Create a research paper and class presentation about a school specializing in the training of fine and or commercial art careers. Include the specific information about the schools course offerings as well as admission requirements.

Requirements

- Complete a report about an art education school.
- Provide historical background and demographic information about the school.
- Include tuition and admissions information.
- Research and obtain both positive and negative opinions about the education offered at the school.
- Provide your own personal opinion that you have developed about the school as a result of the research you have done.
- Prepare and deliver a formal class presentation about the school.

The presentation does not have to include visuals but can if you desire.
