Please **do not park in the ABES parking lot**. The parking lot will only be for teachers and staff for Health and Safety reasons. **Only TK/ K parents are allowed to walk their child to the Zone 1 entryway. Please park on the street and walk your TK/K students to school. Please use the social distancing protocol and have your mask covering your nose and mouth at all times.** This protocol applies to everyone that enters campus. We strongly encourage families to drive and use our drive-through screening. Thank you for your cooperation. The only people allowed on campus are teachers, staff, and students. No parents are allowed on campus at this time.

TK/K Parent Pick Up Procedure for AM/PM

Please drive your car to pick up your TK/K students. They will be lined up outside next to the side gate, and the staff will bring your child to your car. Please see the [map](#) for the location.

Arrival Procedures

Note: Although we ask everyone to drive, we understand that some students will need to walk to school. For safety reasons, we ask students to use the ABES cross walk to enter through the main gate for temperature check and enter campus. All gates that lead to steps and to the park will be closed.

There will be two designated gates for students to enter the campus (Campus map attached)

Zone 1 Side Gate will be for TK and K ONLY (unless there is an older sibling that can walk the student to the classroom)

Zone 2 Main Gate will be for students driven on campus and walkers (1st-5th)

Zone 1 Side Gate for TK/K

It is expected that parents will walk their TK or K students up to the gate. **ALL TK/K parents must park on the streets. ABES Parking lots will be closed to the public except for teachers and staff.**

- Markers will be placed on the sidewalk 6 feet apart for parents and their students. 2 staff members will be at the gate to take temperatures and ask questions.
- Screening questions and temperature will be taken before entering the campus. If a student's temperature is 100 degrees or over, we will recheck the temperature a second time 5 minutes after the first temperature check. If the temperature remains over 100 degrees, the student and family will go home.
- Students walking to school will go to the isolation area if students have Covid-19 related symptoms and/or their temperature is 100 degrees or more to be picked up by a parent.
- The student is given hand sanitizer.
- If the student passes the temperature check and questions, they are then escorted to the classroom by a Staff Member.

Zone 2 Main Gate is for Students Checked in their Vehicle and walkers

- Students in grades 1st through 5th can stay in vehicles (masks on) for temperature and screening questions by staff. If a student's temperature is 100 degrees or over, we will recheck the temperature 5 minutes after the original temperature was taken. If the temperature remains over 100 degrees, the student and family will go home.

- After screening, students will enter campus-through the main gate designated as the Drive-up gate. They will use hand sanitizer before entering the campus.
- Students screened will wait outside on social distancing markers until the teacher opens the door, or if the door is open, the student may go inside the classroom. We strongly encourage students to come as close to the start of school as possible.

During School

- All students TK-5 will wear masks on campus.
- TK-1st Grade may leave their Chromebooks at home
- 2nd-5th Grade: Teachers and grade level will provide instructions to students whether to bring or not bring Chromebooks while on campus.
- ESS students will need to bring their Chromebooks, especially 2nd-5th grade students, for independent/self-paced learning.
- Students not wearing masks due to medical reasons will need to have a doctor's note, but a shield is strongly recommended.
- Students have their workspace, supplies, and partition.
- Student workspaces are distanced 4-6 ft. from each other.
- Hand sanitizer is available in each classroom.
- All students have a 5-minute mask break.
- Teachers will share classroom protocols for using the bathroom.
- Meals will be delivered to classrooms at dismissal for students to pack up and take home.
- The Principal will be sending out a digital lunch count form via Google Doc that will need to be filled out every Friday for lunches for the next week.

Dismissal Procedures

AM-

- Staff members will walk and stay with students at a [designated area](#) until they are all picked up at the parking lot.
- Admin and Teachers will communicate to families which areas they will be located in for dismissal.
- Students walking home will be dismissed to go home once outside.
- ESS students will be dismissed to ESS.
- Older siblings may meet younger siblings at the dismissal area.
- Parents will have a student name/grade/teacher [card](#) placed in clear view on their dashboard or front window.

ABES Lunch Information for AM/PM for "On Campus" Students

PUSD will be providing a "grab and go lunch" for **on-campus students only** to take home to eat for both AM and PM classes. Students who are on campus for 2.5 hours will not be eating on campus except for ESS students. Please ensure that your child(ren) is provided with a nutritious breakfast or lunch at home before they arrive at school. With only 2.5 hours in the day, there will not be a recess or snack break. There is no access to water fountains therefore please ensure that your child brings a water bottle.

AM/PM

- Parents will fill out the [lunch request forms](#) for the week via Google Doc turned in by Friday.
- Office staff will take a daily lunch count from students and send this information to Food and Nutrition.
- Staff will deliver the pre-packaged lunches to the classroom before dismissal for AM and PM students.
- ESS students will go directly to the covered lunch area and sit in their designated areas to eat.

VIRTUAL LEARNING STUDENTS

Families can pick up breakfast and lunch from The district meal secondary food distribution locations. They are open 7-8:30 am and 11-1 pm Monday -Friday at the following schools: DNHS, MBMS, MCHS, PHS, RBHS, TPMS, and WVHS. The closest location to ABES would be Westview HS and Mount Carmel HS.
