

POWAY UNIFIED SCHOOL DISTRICT
SPECIAL BOARD MEETING / WORKSHOP

October 24, 2019

District Office
15250 Avenue of Science
San Diego, CA 92128

PUSD VISION STATEMENT

*Creating Culture and Conditions to
Empower World-Class Learners*

PUSD MISSION STATEMENT

*Inspiring Passion and Preparing Every Student to Thrive
in College, Career, and Life by Providing Personalized,
Rich, and Rigorous Learning Experiences*

Written notice is hereby given that the following special meeting of the Governing Board of the Poway Unified School District will be held:

DATE: October 24, 2019
TIME: 9:00 a.m. to 12:00 p.m.
PLACE: District Office
Board of Education Conference Room - Round Room
15250 Avenue of Science • San Diego • CA

AGENDA

A. PUBLIC COMMENT

The Board will hear public comment on agenda items only.

B. WORKSHOP

The Board of Education and Facilities Master Plan Team will conduct a strategic planning workshop including discussion of the following items:

- Facilities Master Planning – Site Specific Plans
- Draft Bond Project List
- Bond Resolution Number 20-2020 – First Reading
- Other Facilities Discussion

C. ADJOURNMENT

The next **regularly** scheduled Board Meeting will be held on **Thursday, November 14, 2019**, at the Poway Unified School District Office, 15250 Avenue of Science, San Diego, at **6:00 p.m.**

In compliance with the Americans with Disabilities Act, if you need special assistance, disability-related modifications, or accommodations, including auxiliary aids or services, in order to participate in the public meetings of the District's Governing Board, please contact the office of the District Superintendent at (858) 521.2700 [15250 Avenue of Science, San Diego]. Notification 24 hours prior to the meeting will enable the District to make reasonable arrangements to ensure accommodation and accessibility to this meeting. Upon request, the District shall also make available this agenda and all other public records associated with the meeting in appropriate alternative formats for persons with a disability.

Written materials relating to an item on this agenda that are distributed to the Poway Unified School District Board of Education within 24 hours before it is to consider the item at a special meeting will be available for public inspection at 15250 Avenue of Science, San Diego, during normal business hours. Such written materials will also be made available on the district website [www.powayusd.com], subject to staff's ability to post the documents before the regularly scheduled meeting.

RESOLUTION #20-2020

RESOLUTION OF THE BOARD OF EDUCATION OF THE POWAY UNIFIED SCHOOL DISTRICT ORDERING A SCHOOL BOND ELECTION ON MARCH 3, 2020 AND AUTHORIZING NECESSARY ACTIONS IN CONNECTION THEREWITH

WHEREAS, Poway Unified School District ("District") is committed to providing a quality education to local students and preparing them to succeed in today's competitive economy; and

WHEREAS, whether local students are planning to go on to college or directly into the workforce, they need skills to use today's technologies and a solid background in science, math and technology so they can excel in college and well-paying jobs; and

WHEREAS, many of our schools are 30-40 years old, and even schools 20 years old are deteriorating and requiring upgrades; and

WHEREAS, removing or replacing aging portable classrooms that are expensive to repair and maintain with the right number of safe, modern classrooms needed for students is a high priority for the District; and

WHEREAS, it is time to make essential repairs and improvements so our schools can continue to serve our community well for decades to come; and

WHEREAS, the District is conducting a thorough Facilities Master Planning process with input from parents, teachers, staff, students, principals and members of the community to identify the upgrades needed at each school site in order to meet basic safety and accessibility standards, to continue supporting academic achievement, and to address specific priorities at individual school sites; and

WHEREAS, the District believes that completing the identified upgrades like repair or replacing deteriorating roofs, plumbing, sewer lines and electrical systems where needed will enable the District to ensure that all local students receive instruction in 21st century classrooms, labs, technology and school facilities that support modern curriculum, provide a well-rounded education, and give students the skills they need for college and the competitive global economy; and

WHEREAS, the District recognizes the need to transform classrooms, labs, instructional technology and educational facilities to support engaging, hands-on learning experiences in subjects including science, engineering and math; and

WHEREAS, making schools more energy efficient and reducing the use of electricity, water and other resources will improve environmental sustainability and reduce utility bills, thereby creating savings that can be used to protect the quality of core academic classroom programs like math, science, reading and writing; and

WHEREAS, the cost of identified upgrades and improvements is beyond the scope of the District's current operating budget and passing this bond measure provides a guaranteed source of local funding to maintain and improve this community's local school facilities; and

WHEREAS, a bond measure will benefit local schools and no funds can be taken away by the State or other school districts, and by law, no money can be used for administrator salaries or pensions; and

WHEREAS, a bond measure would qualify our schools for millions in state matching funds that would otherwise go to other school districts; and

WHEREAS, a bond measure requires strict fiscal accountability protections including mandatory annual audits and an independent citizens' oversight committee comprised of local residents to ensure funds are managed and spent properly; and

WHEREAS, the Board of Education ("Board") is authorized to order elections within the District and to designate the specifications thereof, pursuant to Sections 5304 and 5322 of the California Education Code ("Education Code"); and

WHEREAS, the Board is specifically authorized to order elections for the purpose of submitting to the electors the question of whether bonds of the District shall be issued and sold for the purpose of raising money for the purposes hereinafter specified, pursuant to Section 15100 *et seq.* of the Education Code; and

WHEREAS, pursuant to section 18 of Article XVI and section 1 of Article XIII A of the California Constitution (also known as "Proposition 39"), and Section 15266 of the Education Code, school districts may seek approval of general obligation bonds and levy an *ad valorem* tax to repay those bonds upon a fifty-five percent (55%) vote of those voting on a proposition for that purpose, provided certain accountability measures are included in the proposition; and

WHEREAS, the Board deems it necessary and advisable to submit such a bond proposition to the electors to be approved by fifty-five percent (55%) of the votes cast; and

WHEREAS, such a bond election must be conducted concurrent with a statewide primary election, general election or special election, or at a regularly scheduled local election, as required by Section 15266 of the Education Code, and on March 3, 2020, a general election is scheduled to occur throughout the District; and

WHEREAS, pursuant to Section 15270 of the Education Code, if the measure is approved by the voters, bonds may only be issued if the tax rate levied to meet the debt service requirements would not exceed \$60 per year per one hundred thousand dollars (\$100,000) of assessed value of taxable property when assessed valuation is projected by the District to increase in accordance with Article XIII A of the California Constitution, and the current estimated and projected tax rate is lower than said limits, as described in the Tax Rate Statement contained in **Exhibit C** hereto; and

WHEREAS, Section 9400 *et seq.* of the California Elections Code requires that a tax rate statement be contained in all official materials, including any ballot pamphlet prepared, sponsored or distributed by the District, relating to the election; and

WHEREAS, in the judgment of the Board, it is advisable to request that the San Diego County Registrar of Voters ("County Registrar") act as the election official and call an election and submit to the registered voters of the District the full ballot proposition as detailed below, in coordination with each other as necessary; and

WHEREAS, the Board now desires to authorize the filing of a ballot argument in favor of the proposition to be submitted to the voters at the election.

NOW, THEREFORE, be it resolved, determined and ordered by the Board of Education of the Poway Unified School District as follows:

Section 1. Specifications of Election Order. Pursuant to Sections 5304, 5322, 15100 *et seq.*, and Section 15266 of the Education Code, an election shall be held within the District on March 3, 2020, for the purpose of submitting to the registered voters of the District the full ballot proposition contained in **Exhibit B** ("Full Ballot Text"), which Full Ballot Text is hereby approved. The County Registrar shall provide for the performance of its duties in accordance with Education Code section 5303.

Section 2. Abbreviation of Proposition/Ballot Label. Pursuant to Sections 13119 and 13247 of the California Elections Code and Section 15122 of the Education Code, the Board hereby directs the County Registrar to use the abbreviation of the Full Ballot Text ("Ballot Label") that is selected by the Superintendent of the District and filed herewith as **Exhibit A**. The Ballot Label shall function merely as an abbreviation of the Full Ballot Text and does not stand alone as a complete and binding statement of the measure, nor is it possible for the Ballot Label to contain all of the project and financial information a voter might wish to consider in casting a vote. Voters are urged to review the Full Ballot Text and the Tax Rate Statement to obtain a complete understanding of the measure, including all of the financial projections and estimates upon which the measure is based.

Section 3. Voter Pamphlet. The County Registrar is hereby requested to reprint the Full Ballot Text in its entirety in the voter information pamphlet to be distributed to voters pursuant to Section 13307 of the Elections Code. In the event the Full Ballot Text is not reprinted in the voter information pamphlet in its entirety, the County Registrar is hereby requested to print, immediately below the impartial analysis of the bond proposition, in no less than 10-point boldface type, a legend substantially as follows:

"The above statement is an impartial analysis of Measure ____.
If you desire a copy of the measure, please call the San Diego County Registrar of Voters at _____ and a copy will be mailed at no cost to you."

Section 4. Accountability Measures. Pursuant to legal requirements, and as specified in the Full Ballot Text, the Board certifies that the District:

- (a) Has evaluated the facilities needs of the District and has evaluated safety, class size reduction and information technology needs, among other needs, in developing the Bond Project List contained in the Full Ballot Text;
- (b) Will establish an independent Citizens' Bond Oversight Committee to ensure that bond proceeds are expended only for the school facilities projects described in the Bond Project List, in accordance with Education Code section 15278 *et seq.* and board resolutions, policies and procedures;
- (c) Will conduct or cause to be conducted an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects described in the Bond Project List;
- (d) Will conduct or cause to be conducted an annual independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects described in the Bond Project List; and
- (e) Shall take all actions to establish an account in which proceeds of the sale of the bonds will be deposited, and to cause a report to be filed with the Board

no later than each January 1 identifying proceeds received and expended in the past fiscal year and the status of any project funded or to be funded with bond proceeds. The first report shall be due no later than January 1 of the first year after which bonds have been issued and some proceeds spent.

Section 5. Required Vote. Pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the State Constitution, the above proposition shall become effective upon the affirmative vote of at least fifty-five percent (55%) of those voters voting on the proposition.

Section 6. Request to County Officers to Conduct Election/Cost of Election. The County Registrar is hereby requested, pursuant to section 5322 of the California Education Code, to take all steps to call and hold the election in accordance with law and these specifications. The District will reimburse the Registrar and the County for costs associated with the election as required by law.

Section 7. Consolidation of Election and Canvass of Vote.

(a) Pursuant to Section 15266(a) of the Education Code, the election shall be consolidated with the election on March 3, 2020.

(b) The Board of Supervisors of San Diego County is authorized and requested to canvass the returns of the election, as necessary, pursuant to Section 10411 of the California Elections Code.

Section 8. Delivery of Order of Election to County Officers. The Clerk of the Board is hereby directed to deliver or cause to be delivered, no later than December 6, 2019, (which date is 88 days prior to the date set for the election), one copy of this Resolution to the County Registrar with the completed Tax Rate Statement (in substantially the form attached hereto as **Exhibit C**), completed and signed by the Superintendent or her designee, and shall file a copy of this Resolution with the Clerk of the Board of Supervisors of San Diego County.

Section 9. Ballot Arguments. The members of the Board are hereby authorized to prepare and file with the County Registrar a ballot argument or rebuttal argument in favor of the proposition, within the time established by the County Registrar.

Section 10. Intention to Reimburse. The District may incur costs associated with bond-funded projects described in **Exhibit B** hereto prior to the issuance of bonds. For purposes of establishing compliance with the requirements of Section 1.150-2 of the regulations of the U.S. Treasury Department, the Board hereby declares its official intent to use proceeds of the bond to reimburse itself for lawful expenditures on capital projects described on the Bond Project List, up to a maximum principal amount of \$448 million.

Section 11. Further Authorization. The members of this Board, the Superintendent, and the Associate Superintendent, Business Services of the District (each, a "District Representative") are hereby authorized and directed, individually and collectively, to do any and all things that they deem necessary or advisable in order to effectuate the purposes of this Resolution, including nonsubstantive modification of the Full Ballot Text, the Ballot Label, and Tax Rate Statement if he or she determines such modifications are necessary and in the District's best interests. This Resolution and all of its Exhibits that are filed with the County Registrar by a District Representative shall constitute the final, binding ballot measure of the District and such submitted measure shall be deemed ratified and approved by the Board.

Section 12. Effective Date. This Resolution shall take effect upon its adoption.

PASSED AND ADOPTED this day, November 14, 2019, by the following vote:

POWAY UNIFIED SCHOOL DISTRICT BOND PROPOSITION FULL BALLOT TEXT

By approval of this measure by at least fifty-five percent (55%) of the registered voters voting thereon, the Poway Unified School District shall be authorized to issue and sell bonds of up to \$448 million in aggregate principal amount to provide financing for the specific school facilities projects listed below in the Bond Project List, subject to all of the accountability safeguards specified herein.

SECTION I: KEY FINDINGS

- The Poway Unified School District is committed to continuing a strong, high-quality educational program and preparing our students to succeed in today's competitive economy; and
- Whether local students are planning to go on to college or directly into the workforce, they are provided with the skills they need to use today's technologies and have a solid background in science, math and technology so they can excel in college and well-paying jobs; and
- Many of our schools are 30-40 years old, and even schools 20 years old are deteriorating and requiring upgrades; and
- It is time to make essential repairs and improvement so our schools can continue to serve our community well for decades to come; and
- The District is conducting a thorough Facilities Master Planning process with input from parents, teachers, staff, students, principals and members of the community to identify the upgrades needed at each school site in order to meet basic safety and accessibility standards, to continue supporting academic achievement, and to address specific priorities at individual school sites; and
- The District believes that completing the identified upgrades will enable the District to ensure that all local students receive instruction in 21st century classrooms, labs and school facilities that support modern curriculum, provide a well-rounded education, and give students with the skills they need for college and the competitive global economy; and
- The District recognizes the need to upgrade classrooms, labs, instructional technology and educational facilities to support engaging, hands-on learning experiences in subjects including science, engineering and math; and
- This bond measure will benefit local schools and no funds can be taken away by the State or other school districts, and by law, no money can be used for administrator salaries or pensions; and
- This bond measure requires strict fiscal accountability protections including mandatory annual audits and an independent citizens' oversight committee comprised of local residents to ensure funds are managed and spent properly.

SECTION II: ACCOUNTABILITY MEASURES

The provisions in this section are included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Section 15264 *et seq.* of the California Education Code).

Evaluation of Needs. The Board of Education has evaluated the facilities needs of the District, and has identified projects to finance from a local bond measure at this time. The Board of Trustees hereby certifies that it has evaluated safety, class size reduction and information technology needs, in addition to other needs, in developing the Bond Project List.

Independent Citizens' Oversight Committee. The Board of Education shall establish an independent Citizens' Oversight Committee in accordance with Education Code sections 15278-15282 and applicable Board resolutions and policies, to ensure bond proceeds are expended only for the school facilities projects listed in the Bond Project List. The committee shall be established within sixty (60) days of the date when the Board of Education enters the results of the election in its official minutes.

Annual Performance Audit. The Board of Education shall conduct or cause to be conducted an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects described in the Bond Project List.

Annual Financial Audit. The Board of Education shall conduct or cause to be conducted an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects described in the Bond Project List.

Annual Report to Board. Upon approval of this measure and the sale of any bonds approved, the Board of Education shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent shall cause a report to be filed with the Board of Education no later than January 1 of each year, commencing on the first January 1 after bonds have been issued and some proceeds spent, stating (1) the amount of bond proceeds received and expended in the past fiscal year, and (2) the status of any project funded or to be funded from bond proceeds. The report may be incorporated into the annual budget, annual financial report, or other appropriate routine report to the Board.

SECTION III: BOND PROJECT LIST

This Bond Project List, which is an integral part of this proposition, describes the specific projects the District proposes to finance with proceeds of the bonds. All information contained within this "Section III: Bond Project List" comprises the list and description of permissible projects and expenses that may be paid from bond proceeds, and where such projects may be or are intended to be completed.

Proceeds from the sale of bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, replacement, furnishing and equipping of school facilities on the Bond Project List, which is organized as shown below by project categories. Projects to be completed are of various classifications, including new/replacement construction ("N/RC"), modernization of existing facilities ("M"),

increasing capacity (“I”) and updates to facilities to meet code compliance or safety requirements (“U”). Each project is marked to indicate the classification it meets.

In order to meet all identified facility needs, the District intends to complete projects using a combination of funding sources, including developer fees, Mello-Roos special tax proceeds and state funding (if available). In order to maximize community benefit and efficiently apply taxpayer dollars, the District will make a good faith effort to pursue practical opportunities to expand community joint use facilities in every new construction project. In pursuing joint use, the District’s goal is to maximize the use of facilities by the broader community without adversely impacting District’s operations or finances. In addition, the District will pursue state matching funds if and when they become available, and if received, they will be used for and mainly applied to projects on the Bond Project List or other high priority capital outlay expenditures as permitted in Education Code section 17070.63(c).

While no specific project is dependent on the receipt of state funding for completion, approval of this measure does not guarantee that all projects on this Bond Project List at all listed sites will be funded beyond the local revenues generated by this measure. The District’s proposal for the projects assumes the receipt of some state matching funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

Specific projects to be funded by the bond measure include, without limitation, the following (schools/sites listed in alphabetical order):

CATEGORY A. PROJECTS TO IMPROVE STUDENT AND CAMPUS SAFETY AND SECURITY

Projects to improve student and campus safety and security shall include the following projects, which are authorized to be completed at each, any or all of the sites listed below:

- Install perimeter fencing to improve controlled access
- Upgrading signage
- Upgrade, replace or install communications systems, including intercom, emergency communications and/or master clock systems
- Upgrade fire alarms
- Enhance school reception areas to improve visitor management
- Install door hardware and locks
- Install video surveillance cameras
- Upgrade playgrounds, tracks and fields
- Install shade structures

Schools and Sites where such projects are planned:

- Willow Grove Elementary

CATEGORY B: PROJECTS TO MODERNIZE AND IMPROVE BUILDING FUNCTIONS AND SYSTEMS

Projects to modernize and improve building functions and systems include the following projects, which are authorized to be completed at each, any or all of the sites listed below:

- Repair/replace Heating, Ventilation & Air Conditioning (HVAC) systems
- Replace or repair roofs
- Renovate school or classroom interiors, including fixtures, flooring, paint, ceilings and lighting
- Upgrade school or site exteriors, including walls, paint, lighting, windows and doors;
- Upgrade electrical infrastructure
- Upgrade Utility/Sewer/Water/Gas lines and Plumbing infrastructure
- Upgrade restrooms
- Perform Americans with Disabilities Act (ADA) compliance upgrades
- Renovate Multipurpose Rooms

CATEGORY C: PROJECTS TO CREATE FUTURE-FOCUSED LEARNING ENVIRONMENTS TO SUPPORT SCIENCE, TECHNOLOGY, ENGINEERING AND MATH CURRICULUM AND CAREER/TECHNICAL EDUCATION TRAINING OPPORTUNITIES AND OPERATIONAL SUPPORT LOCATIONS

Projects to create future-focused learning environments to support science, technology, engineering and math curriculum and career/technical education training opportunities include the following projects, which are authorized to be completed at each, any or all of the sites listed below:

- Reconfigure libraries and other spaces to include innovation/collaboration space
- Create or construct additional and/or dedicated career technical education classrooms and learning spaces
- Enhance and/or expand special education classrooms and space
- Construct additional student support offices and spaces

Schools and Sites where such projects are planned:

- | | | |

| ➤ Garden Road Elementary | ➤ Poway High | ➤ Westwood Elementary |
| ➤ Highland Ranch Elementary | ➤ Rancho Bernardo High | |
| ➤ Los Penasquitos Elementary | ➤ Rolling Hills Elementary | |

CATEGORY D: PROJECTS TO SUPPORT GROWTH AND CHANGING PROGRAMMATIC NEEDS

Projects to support growth and changing programmatic needs include the following projects, with are authorized to be completed at each, any or all of the sites listed below:

- Add classrooms to support student growth
- Renovate classroom space to meet California Department of Education Title 5 requirements
- Remove or demolish aging portable classrooms
- Replace aging portable classrooms with new permanent, modular or portable classrooms
- Upgrade and/or construct transportation and maintenance yards

Schools and Sites where such projects are planned:

- | | | |
|---------------------------|------------------------------|----------------------------|
| ➤ Abraxas High | ➤ Los Penasquitos Elementary | ➤ Sunset Hills Elementary |
| ➤ Adobe Bluffs Elementary | ➤ Meadowbrook Middle | ➤ Tierra Bonita Elementary |

| ➤ Black Mountain Middle | ➤ Mt. Carmel High | ➤ Twin Peaks Center |
| ➤ Canyon View Elementary | ➤ Painted Rock Elementary | ➤ Twin Peaks Middle |
| ➤ Chaparral Elementary | ➤ Pomerado Elementary | ➤ Valley Elementary |
| ➤ Creekside Elementary | ➤ Poway High | ➤ Westview High |
| ➤ Deer Canyon Elementary | ➤ Rancho Bernardo High | ➤ Westwood Elementary |
| ➤ Del Norte High | ➤ Rolling Hills Elementary | ➤ Willow Grove Elementary |
| ➤ Del Sur Elementary | ➤ Shoal Creek Elementary | |

CATEGORY E: PROJECTS TO INSTALL ENERGY EFFICIENT AND SUSTAINABLE SYSTEMS

Projects to install energy efficient and sustainable energy systems include the following projects, which are authorized to be completed at each, any or all of the sites listed below.

- Add drought-tolerant landscaping
- Upgrade lights to LED lighting
- Install lighting controls
- Add/install solar systems and battery storage systems

Schools and Sites where such projects are planned:

- Abraxas High
- Adobe Bluffs Elementary
- Bernardo Heights Middle
- Canyon View Elementary
- Chaparral Elementary
- Creekside Elementary
- Deer Canyon Elementary
- Garden Road Elementary
- Highland Ranch Elementary
- Los Penasquitos Elementary
- Meadowbrook Middle
- Mesa Verde Middle
- Mt. Carmel High
- Painted Rock Elementary
- Park Village Elementary
- Poway High
- Rancho Bernardo High
- Rolling Hills Elementary
- Shoal Creek Elementary
- Tierra Bonita Elementary
- Turtleback Elementary
- Twin Peaks Middle
- Valley Elementary
- Westview High

Projects are intended to be performed at the specific sites listed for each Project Category; however, unforeseen events or conditions may create the need for a project to be undertaken at a site not indicated. The Board of Education may authorize the completion of listed projects at other schools, sites or buildings where the project is deemed necessary, even if such site or location is not specifically identified above.

Listed projects, repairs, improvements, rehabilitation projects and upgrades will be completed only as needed, and the listing of projects does not imply a particular prioritization among such improvements. Projects may be done in phases, based on Board of Education priorities. Decisions regarding the scope, timing, prioritization or other facets of project implementation will be made solely by the Board of Education by subsequent action. Where terms such as "renovate," "upgrade," "reconfigure" and "improve" are used in the Bond Project List, the Board of Education has the discretion to determine the best method for accomplishing the project's objective. For any listed project involving renovation or modernization of a building or the major portion of a building, the District may proceed with new replacement construction instead (including any necessary demolition or relocation of existing structures), if the District determines that replacement and new construction is more practical than renovation, considering the building's age, condition, expected remaining life, comparative cost and other relevant factors. In addition, where feasible, projects may be completed in partnership with other agencies on a joint use basis using bond proceeds, and bond funds may be used to acquire joint use buildings operating on District property. Property, buildings and equipment on the bond project list may be acquired through lease, sale, lease-purchase, lease-leaseback or other project delivery or acquisition methods determined appropriate by the Board. Use of a Project Labor Agreement is not currently envisioned.

Each project is assumed to include its share of costs of bond issuance, architectural, engineering, legal and similar planning costs, construction management, bond project staff and consultants, staff development and training expenses associated with learning construction techniques and approaches and new bond-funded equipment and systems, and a customary contingency for unforeseen design and construction costs. Payment of the costs of preparation of facilities planning and project implementation studies, feasibility and assessment reviews, master planning, environmental studies, permit and inspection fees and temporary housing and relocation costs for dislocated programs or activities caused or necessitated by projects on the Bond Project List are permissible bond expenditures.

The final cost of each project will be determined as plans are finalized and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Necessary site preparation, grading or restoration may occur in connection with acquisition of property, new construction, modernization, renovation or remodeling, or installation or removal of modular classrooms, including ingress and egress, removing, replacing or installing irrigation, utility lines, trees and landscaping, relocating fire access roads and acquiring any necessary easements, leases, licenses or rights of way to the property.

SECTION IV: ADDITIONAL SPECIFICATIONS

No Administrator Salaries. Proceeds from the sale of Bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation or replacement of school facilities on the Bond Project List, including the furnishing and equipping of said school facilities, or the acquisition or lease of real property for said school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

No Capital Appreciation Bonds. The District will not to issue capital appreciation bonds or convertible appreciation bonds from this measure.

Limit on Repayment Ratio. The District will not issue any bonds pursuant to this measure that results in a repayment ratio of total debt service to principal amount issued of more than 2.5 to 1, also expressed as no more than \$2.50 for every dollar of bonds issued, which is lower than the State law of 4.0 to 1.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Section 15100 of the California Education Code, and all the enumerated purposes shall constitute the specific single purpose of the bonds and proceeds of the bonds shall be spent only for such purpose.

Other Terms of the Bonds. The bonds may be issued and sold in several series, and in accordance with a financing plan determined by the Board of Education pursuant to requirements of law. Bonds will be issued only as current interest bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum and with a maximum term not exceeding the statutory maximum, provided that the average useful life of bonds sold will not exceed one hundred twenty percent (120%) of the average life of the projects being financed or as otherwise provided by federal tax law. Bond funds may be used to reimburse the District for Bond Project list expenditures incurred prior to the election and bond issuance, in accordance with federal tax law.

Attention of all voters is directed to the fact that the financial information contained in this measure is based upon the District's projections and estimates only, which are not binding upon the District, nor are the summary estimates, if any, provided in the Ballot Label. The actual tax rates, debt service and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

In preparing this information, the District obtained reasonable and informed projections of assessed property valuations that took into consideration projections of assessed property valuations made by the County Assessor, if any, in accordance with Education Code Section 15100(c).

EXHIBIT "C"

TAX RATE STATEMENT

An election will be held within the boundaries of Poway Unified School District ("District") on March 3, 2020 to authorize the sale of up to \$448,000,000 in bonds of the District to finance improvements to educational facilities as described in the measure. If such bonds are approved, authorized and sold, the principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 to 9404, inclusive, of the California Elections Code. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District and other demonstrable factors.

1. The best estimate from official sources of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is 3.044 cents per \$100 of assessed valuation (\$30.44 per \$100,000 of assessed valuation). The final fiscal year in which it is anticipated that the tax will be collected is 2048-49.

2. The best estimate from official sources of the highest tax rate that would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing this statement, is 3.39 cents per \$100 of assessed valuation (\$33.90 per \$100,000 of assessed valuation). It is estimated that such rate would be levied in fiscal year 2020-21. The best estimate from official sources of the lowest tax rate that would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing this statement is 1.062 cents per \$100 of assessed valuation (\$10.62 per \$100,000 of assessed valuation). It is estimated that such rate would be levied in fiscal year 2048-49.

3. The best estimate from official sources of the total debt service, including the principal and interest that would be required to be repaid if all the bonds are issued and sold, is approximately \$648 million.

Voters should note that the estimated tax rate is based on the assessed value (not market value) of taxable property on the San Diego County official tax rolls. In accordance with Education Code Section 15100, subparagraph (c), the District has obtained reasonable and informed projections of assessed property valuations that take into consideration projections (if any) of assessed property valuations made by the County Assessor. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process. Accordingly, the actual tax rate and the years in which such rates are applicable may vary from those presently estimated as stated above.

Marian Kim-Phelps, Superintendent
