AGENDA ITEM: 4.3

SUBJECT: PROMOTION/GRADUATION COMMITTEES

RECOMMENDATION:

Information and presentation.

DISCUSSION/PROGRAM:

Due to the COVID-19 pandemic and ban on group gatherings, Poway Unified Schools were tasked with rethinking processes and plans to celebrate 5th and 8th grade promotion and high school graduation ceremonies. Communications and Learning Support Services formed two working committees to ensure alternative plans were developed for our students. The committees included some of our most important stakeholders, our students, parents as well as principals, Board members, and staff. Our student leaders from the Superintendent’s Student Advisory Council were also instrumental members of both committees.

Three Zoom meetings were held for each group, 5th and 8th Grade Promotion, and Graduation. The committees reviewed the current public health guidelines, samples of alternatives for promotions and graduations, and listened to input from our stakeholders. The 5th and 8th Grade Promotion Committee agreed on a “Vroom and Zoom” model, meaning a drive through type of event by classroom/homeroom, where students drive up with their families, receive their promotion certificate, and take a photo in front of a school banner. Students then planned to celebrate together via Zoom. However, due to technical concerns about the reliability of Zoom, the model was changed to a pre-recorded video which would include speeches, highlights from the year, and the names of each promoting student.

The Graduation Committee worked hard to find alternative ways to celebrate the Senior Class of 2020. A Thoughtexchange survey of students and families indicated a majority preferred to postpone the traditional ceremonies. At this time, July 30, 2020, is the designated date for the postponed ceremonies. The committee also agreed to a hybrid approach to a virtual graduation ceremony to be held between June 9-11, 2020. High schools will schedule a drive through graduation. Students will wear their cap and gown, exit their vehicle to receive their diploma, and take a photo. High schools were notified that new County Public Health guidelines as of May 26, 2020, will allow for students to exit their vehicles for photos before driving away. Some schools may choose to have videographers to capture the event and compile a virtual graduation video that will be available for all students to view.

This Affiliation Agreement ("Agreement") is entered into by and between the University of San Diego ("USD") School of Leadership and Education Sciences (SOLES) and the Poway Unified School District (the "District").

WHEREAS, USD is a non-profit institution of higher education; and

WHEREAS, the School of Leadership and Education Sciences ("SOLES"), a school within USD, conducts a variety of programs at the undergraduate, master’s and doctoral levels in learning and teaching, counseling and education administration, among other areas. USD desires to obtain teaching, counseling and education administration field experience for its enrolled students (the "USD students"); and

WHEREAS, the District recognizes the need for and desires to aid in the professional development of the USD students, and is willing to make its employees and premises available for such purposes;

NOW, THEREFORE, for good and valuable consideration, USD and the District agree as follows:

1. Term. The term of this Agreement shall begin on July 1, 2020, and end on June 30, 2025 unless terminated earlier pursuant to Paragraph 4 below. This Agreement may be extended or renewed only in writing signed by authorized representatives of USD and the District.

2. USD Responsibilities.

   a. USD will determine the eligibility of its students to participate in the program with the District established under this Agreement.

   b. USD will assign students to the District.

   c. USD will monitor and evaluate the progress of each USD student assigned to the District.

   d. USD will determine the number of semester units provided to each USD student as a result of participation in the program described under this Agreement.

   e. USD students who are assigned to the District under this Agreement shall not be considered agents or employees of the District.
3. **District Responsibilities.**
   a. The District will provide educational learning experiences that are planned, organized and administered by qualified staff. The educational assignments provided by the District shall be designed to facilitate the USD student’s professional growth.

   b. The District will provide to each assigned USD student teaching, counseling or education administration experience either through observation and participation or directed teaching, counseling or education administration experience. Each USD student assigned to the District will be given the opportunity to actively participate in the duties and functions associated with classroom teaching or administration.

   c. The District will assign one or more of its employees to supervise and instruct each USD student assigned to the District. The supervising District employee must hold valid credentials issued by the State Board of Education authorizing the supervising District employee to serve as a classroom teacher, counselor or administrator in the school in which the USD student is assigned.

   d. For good cause shown, the District may refuse to accept a USD student assigned to it. Similarly, for good cause shown, the District may request that a USD student assigned to it be withdrawn from the program, and USD will comply with the request. The District will notify USD in writing of a decision not to accept a USD student or to request that a USD student be withdrawn from the program. The written notice will describe the basis for the decision or request. If USD does not agree with the District’s refusal to accept a student or request for withdrawal of a student, USD will provide the District with a written statement setting forth the basis for the disagreement within ten (10) working days of its receipt of the District’s written notice.

   e. The District will ensure that the USD student does not replace or substitute for any District employee, and that the USD student does not perform any of the duties normally performed by an employee for the District, except those duties that are part of the training and performed by the student under the supervision of a District employee.

4. **Termination.** Either party shall have the right to terminate this Agreement at any time and for any reason with thirty (30) days’ advance written notice to the other. Notwithstanding the foregoing, the parties agree that any USD student participating in a teaching or administration experience shall be permitted to complete the semester during which such termination of Agreement occurs.

5. **FERPA.** The District understands that the educational records of the USD student assigned to the District are protected by the Family Educational Rights and Privacy Act (FERPA). The parties agree to comply with the requirements of FERPA. As a result of this Agreement, the District is considered to be a school official of USD. The District agrees to protect the privacy of educational records concerning any USD student assigned to the District under this Agreement, and will not transmit, share or disclose any such records without the student’s written consent, except to other school officials of USD who have a legitimate educational interest in the records.
6. **Commitment to Non-Discrimination.** USD and the District shall not discriminate in the selection of, acceptance of, or participation by any USD student in any program or services offered under this Agreement on the basis of the student’s race, color, national origin, religion, sex, sexual orientation, disability, or any other characteristic protected by federal, state or local law.

7. **Indemnification.**
   
a. The District agrees to defend, indemnify and hold USD and its employees, students and agents harmless from any and all liability, claims, demands, suits, costs, charges and expenses, including without limitation attorneys' fees, arising out of or in any way related to the alleged negligent or willful acts or omissions of the District or any of its employees or agents in connection with the performance of this Agreement, including without limitation employment-related claims made by a District employee or agent, as well as claims arising out of or relating to the District’s refusal to accept an assigned student or the District’s request that an assigned student be withdrawn from the program.

b. USD agrees to defend, indemnify and hold the District and its employees harmless from any and all liability, claims, demands, suits, costs, charges and expenses, including without limitation attorneys' fees, arising out of or in any way related to the alleged negligent or willful acts or omissions of USD or any of its employees or students in connection with the performance of this Agreement.

8. **Insurance.**
   
a. At all times during the term of this Agreement, the District will maintain the following types and levels of insurance for its employees and agents who perform any services to fulfill the District’s responsibilities under this Agreement: Commercial general liability insurance, workers’ compensation insurance, and applicable errors and omissions liability insurance, each with a limit in an amount not less than $1,000,000 per occurrence.

b. At all times during the term of this Agreement, USD will maintain the following types and levels of insurance for its employees and agents who perform any services to fulfill USD’s responsibilities under this Agreement: Commercial general liability insurance, workers’ compensation insurance, and applicable errors and omissions liability insurance, each with a limit in an amount not less than $1,000,000 per occurrence. USD will maintain professional liability insurance for its students who are assigned to The District under this Agreement with a limit in an amount not less than $1,000,000 per occurrence.

c. Proof of the required insurance under this Agreement shall be provided by one party to the other upon request. Either party will provide the other with at least thirty (30) days’ advance written notice before cancellation or any reduction or material change in coverage.

9. **Use of USD’s Trademarks and Logos.** The District shall not use USD’s trademarks, logos or insignia, or otherwise identify USD in any form of publicity, disclosure or sale without the advance written permission of USD.
10. **Independent Contractor.** It is expressly understood and agreed that, in the performance of the activities contemplated by this Agreement, the parties and their employees and agents will at all times act as independent contractors of one another, and not as employees or agents of one another. This Agreement does not constitute and shall not be construed as constituting a partnership, joint venture association, or other affiliation or like relationship between parties. Neither party shall have the right to obligate or bind the other in any manner whatsoever with respect to any third party, and nothing herein contained shall give or is intended to give any right to a third party. In no event will either party be liable for the debts or obligations of the other party, except as specifically provided herein.

11. **Entire Agreement.** The parties declare and represent that no promise, inducement or agreement not herein expressed has been made to them and that this Agreement contains the full and entire agreement between and among the parties relating to the subject matter herein, and that the terms of this Agreement are contractual and not a mere recital.

12. **Amendment/Severability.** This Agreement may not be amended, except through a writing signed by authorized representatives of USD and the District. If any provision of this Agreement, or part thereof, is held invalid, void or voidable as against public policy or otherwise, the invalidity shall not affect other provisions, or parts thereof, which may be given effect without the invalid provision or part. To this extent, the provisions, and parts thereof, of this Agreement are severable.

13. **Assignment and Subletting.** The rights and responsibilities granted in this Agreement are not assignable.

14. **Dispute Resolution.** This Agreement shall be governed by the laws of the State of California. Any dispute arising out of or relating to this Agreement shall be resolved through binding arbitration under the applicable rules of JAMS. The venue for the arbitration shall be in San Diego, California. Each party shall be responsible for its own costs and attorneys’ fees incurred in connection with any such dispute.

15. **No Third Party Beneficiaries.** This Agreement shall be binding upon and inure to the benefit of and be enforceable only by the parties to this Agreement. No third party shall be a beneficiary of or have any right to enforce the terms of this Agreement.

16. **Authority.** By signing below, the representative from each party represents that he/she is duly authorized to sign the Agreement on behalf of either USD or the District.

This Agreement may be executed in counterparts, each of which shall be deemed to be an original and all of which, taken together, shall constitute a single agreement binding on the parties. This Agreement will be considered executed by a party when the signature of such party is delivered physically, by email or facsimile transmission to the other party. The parties agree that any signature delivered by email or facsimile transmission shall have the same force and effect as an original signature.

MEETING DATE: June 3, 2020
AGENDA ITEM: 5.3(c)

SUBJECT: APPROVAL OF RESOLUTION NO. 70-2020 ENTITLED "AUTHORIZATION TO PURCHASE COMPUTER EQUIPMENT, PERIPHERALS AND RELATED SERVICES THROUGH THE NATIONAL ASSOCIATION OF STATE PROCUREMENT OFFICIALS (NASPO) VALUEPOINT GOVERNMENT AND EDUCATION CONTRACT NO. MNWNC-117, FOR THE PERIOD JUNE 3, 2020 THROUGH JULY 31, 2021

RECOMMENDATION:

Authorize Resolution No. 70-2020 for the purchase of computer equipment, peripherals and related services through the National Association of State Procurement Officials (NASPO) ValuePoint Government and Education Contract No. MNWNC-117, for the period June 3, 2020, through July 31, 2021, be approved.

DISCUSSION/PROGRAM:

The State of California awards contracts and sanctions certain cooperative agreements, including agreements administered by public agencies as members of Purchasing Organizations within and outside the State of California, to leverage buying power. The National Association of State Procurement Officials (NASPO) ValuePoint Government and Education Contract No. MNWNC-117 is one such contract issued to achieve cost-effective and efficient acquisition of quality technology products and services and to benefit from cumulative volume discounts. The Minnesota Department of Administration, Materials Management Division, administered the competitive Request for Proposal (RFP) for this contract. Because of the State’s affiliation with NASPO, state agencies or other local governmental bodies, including Poway Unified School District, may purchase from these contracts under the same terms and conditions; there is no charge for use of these contracts. The District will purchase computer equipment, peripherals, and related services when it is in their best interest to do so.

Approval of this resolution will allow Poway Unified School District to order Lenovo equipment and services meeting its needs and specifications from the list of items available on this contract. While the District doesn’t currently have a need to purchase Lenovo equipment, the ability to have this approved contract in place to purchase using its terms and conditions, as has been done in past years, provides flexibility and competitive pricing advantages. Should the District have a need to pursue another source and/or obtain competitive volume pricing, the District would have the ability to compare purchase options with other already approved contracts when the need for technology equipment arises.

ON MOTION of Member__________________________________________, seconded by Member__________________________________________, the following resolution is adopted:

WHEREAS, Public Contract Code allows the state to consider the needs of multiple state agencies for goods, information technology, and services, and establish contracts, master agreements, multiple award schedules, cooperative agreements, including agreements with entities outside the state, and other types of agreements that leverage the state’s buying power for acquisitions; and

WHEREAS, Public Contract Code further provides that state agencies and local agencies, including any school district empowered to expend public funds, to purchase under these contracts, master agreements, multiple award schedules, cooperative agreements, or other types of agreements at the same price and upon the same terms and conditions as the awarding agency without further competitive bidding for the acquisition of information technology, goods, and services; and

WHEREAS, the District wishes to be able to purchase under the National Association of State Procurement Officials (NASPO) contract according to the codes and regulations applied to NASPO purchases when it is in the District’s best financial interest to do so or, if necessary, the most expedient method to purchase supplies or equipment;

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that Poway Unified School District may purchase computer equipment and related services utilizing the above-mentioned Contract. SUBJECT: APPROVAL OF RESOLUTION NO. 67-2020 ENTITLED "AUTHORIZATION TO PURCHASE ROOFING MATERIAL UNDER THE CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS) CONTRACT NO. 4-20-56-0006B"

RECOMMENDATION:

Approve Resolution No. 67-2020, authorizing the purchase of Roofing Material under the California Multiple Award Schedule (CMAS) Contract No. 4-20-56-0006B.

DISCUSSION/PROGRAM:

This summer the District intends to re-roof multiple buildings on the Black Mountain Middle School campus. The condition of these roofs are poor and the need was identified in our Facility Master Plan. Staff recommends utilizing the California Multiple Award Schedule (CMAS) to directly purchase the roofing materials for this project from the manufacturer. Utilizing CMAS allows the District make a “Best Value Determination” when selecting materials, while leveraging a previously awarded competitively assessed bid. This enables the District to maintain cost control, while also evaluating factors such as quality, effectiveness of the system, warranty and service. Direct purchasing also avoids additional cost mark-ups that would be included in the construction contract. The District has successfully utilized this strategy for the past few years. For the project at Black Mountain Middle School, the roofing system from Garland was determined to be the best value to the District.

The recommended award of the corresponding construction project is included as a separate agenda item.

SUBJECT: AWARD A CONTRACT FOR BID NO. 2020-26B LABOR TO INSTALL ROOFING AT BLACK MOUNTAIN MIDDLE SCHOOL TO A GOOD ROOFER, INC.

RECOMMENDATION:

Award a contract to A Good Roofer, Inc., for labor to install roofing at Black Mountain Middle School, Bid No. 2020-26B.

DISCUSSION/PROGRAM:

This contract includes the demolition and removal of the existing roofing material, repairs to any damaged roof decking and the installation of new Garland roof system. The contractor will utilize materials supplied by the District through use of the CMAS contract. The scope of work includes the removal and proper disposal of asbestos containing roofing material, as identified in the asbestos report provided to all bidders. The work must be in conformance with project specifications and meet all manufacture’s installation requirements, ensuring the District is issued a 30-year warranty upon project completion.

The base bid of this contract includes re-roofing seven buildings (100, 200, 300, 400, 500, 600, 700) and the connecting covered walkways. In addition, “Add Alternate” bids were requested for the 800 buildings (10 modular classrooms) and the 900 building (Administration) based on available budget. Contractors were also asked to bid on two application systems: Option 1 – Hot asphalt, Option 2 – Self Adhering. The award was based on the lowest overall total project cost (installation and material). Based on the competitive bids received, staff recommends awarding the total project (base bid and all alternates) utilizing hot applied asphalt to the lowest responsive bidder, A Good Roofer, Inc.

This project is expected to begin shortly after award and will be completed prior to the planned start of the next school year in August 2020.

RECOMMENDATION:

Information and Presentation.

DISCUSSION/PROGRAM:

The District’s Community Facilities Districts (“CFD”) program is comprised of thirty-eight CFDs and Improvement Areas that have helped fund the construction of fourteen school facilities and many additional non-school facilities.

Over the past year, staff has been working with our District Financial Advisor and Special Tax Consultant to create a plan to outline steps to begin the process of retiring CFD special taxes.

This evening the team will present a brief summary of the CFD program, an overview of the assumptions in preparing the reduction plan, and the recommended approach to put the reduction plan into action.

Adopt California School Boards Association (CSBA) new Board Policy 6157 - Distance Learning.

DISCUSSION/PROGRAM:

At the May 14, 2020, Board Meeting, Board Policy 6157 – Distance Learning was presented to the Board as a first reading. In response to recent statewide, mandated school closures due to the COVID-19 virus, CSBA developed new Board Policy 6157 – Distance Learning. The new policy addresses the need for distance learning to support student achievement of academic goals during the physical closure of school sites in the event of widespread illness, natural disaster, or other emergency.

The new Board Policy 6157 - Distance Learning has been reviewed by staff and is being presented tonight for adoption.

A copy of the policy has been provided to the Board electronically. Hard copies are available to the public on request. Upon adoption, the policy will be posted on the PUSD website.

SUBJECT: POWAY UNIFIED SCHOOL DISTRICT COVID-19 OPERATIONS WRITTEN REPORT (OWR) FOR 2019-2020 - FIRST READING

RECOMMENDATION:

First reading.

DISCUSSION/PROGRAM:

In compliance with the Governor of California’s Executive Order N-56-20, Poway Unified School District (PUSD) staff has developed the COVID-19 Operations Written Report using the template provided by the California Department of Education.

The COVID-19 Operations Written Report specifically addresses and describes:

1. An overview explaining the changes to program offerings the Local Education Agency (LEA) has made in response to school closures to address the COVID-19 emergency and the major impacts of the closures on students and families.
2. How the LEA is meeting the needs of its English learners, foster youth, and low-income students.
3. The steps taken by the LEA to continue delivering high quality distance learning opportunities; provide school meals while maintaining social distancing practices; and arrange for supervision of students during ordinary school hours.

Opportunities for stakeholders to provide input in the development of PUSD’s OWR include:

• District staff and community input via Thoughtexchange
• District Advisory Committee (DAC), District English Learner Advisory Committee (DELAC), and PUSD Emergency Operations Committee (EOC)
• Foster and Homeless Liaisons, Youth in Transition Coordinator, Title I Administrators, English Learner District TOSAs, Special Education Administrators, and Caring Connections Center Counselor

A copy of the COVID-19 Operations Written Report is available for public review in the Administration Center upon request. A request for formal adoption will be submitted at the June 25, 2020, PUSD Board Meeting. Upon adoption, the report will be posted on the PUSD website.

SUBJECT:  2020-2021 REOPENING PLANNING COMMITTEE

RECOMMENDATION:

Information.

DISCUSSION/PROGRAM:

A joint Poway Unified School District (PUSD), Poway School Employees Association (PSEA), and Poway Federation of Teachers (PFT) Reopening Planning Committee convened on Monday, May 18, 2020, to begin conversations about how to safely and effectively reopen our schools when authorized to do so by health officials. The committee will meet weekly to start and includes members of Learning Support Services, Technology and Innovation, Student Support Services, Personnel Support Services, Business Support Services, a principal from each level, the PSEA President, and the PFT President. The work of the committee will be conducted in two phases.

In Phase I, the committee will be reviewing pertinent guiding documents and gathering input from all stakeholders through surveys. The first survey will go to families and employees. It will target the important question of what measures need to be in place to feel safe to physically return to work and school as our campuses and offices begin to reopen for on-campus learning. The second survey regarding distance learning will be sent to students, teachers, principals, and instructional assistants. This survey will inform next steps for refining potential virtual learning in the fall.

During Phase II, a draft plan for reopening schools will be developed and reviewed by stakeholders. This model of collaboration with all stakeholders will help to ensure that we are all working together toward a safe and effective reopening of our schools.
