

Business and Non-instructional Operations

PREVENTIVE MAINTENANCE PROGRAM

The Director of Facilities, Maintenance, and Operations shall be responsible for an ongoing Preventive Maintenance Program of all buildings and grounds, including equipment necessary for the operation of a facility (e.g., mechanical, electrical, plumbing, and irrigation systems).

The Director of Facilities, Maintenance, and Operations shall administer the Preventive Maintenance Program and ensure proper documentation is maintained.

The lead Heating, Ventilating, and Air Conditioning (HVAC) mechanic shall maintain records of maintenance on all HVAC equipment.
