

TRANSPORTATION: SCOPE OF SERVICE

The Superintendent or designee shall ensure the qualifications of bus drivers and related staff employed by the district, provide for the maintenance and operation of district-owned school buses and other equipment, and ensure adequate facilities for equipment storage and maintenance.

Transportation services of the district shall include administrative and vehicle maintenance facilities, buses, cars, trucks, turf or grounds equipment, and other motor vehicles necessary for the proper conduct of district operations.

Transportation services shall be provided for students of the district according to policies adopted by the Governing Board, district Administrative Procedures, and in accordance with Titles V, VIII, and XIII of the California Administrative Code, the Vehicle Code, and the Education Code. Supplemental transportation services shall be provided to support the non-pupil transportation operation as required.
