1. Riders shall follow the instructions and directions of the bus driver at all times.

(cf. 3542 - School Bus Drivers)

2. Riders should arrive at their designated bus stop on time and stand in a safe place at the stop to wait quietly for the bus.

(cf. 3541 - Transportation Routes and Services)

3. Riders shall enter the bus in an orderly manner and go directly to their seats.
4. Riders shall sit down and fasten any passenger restraint systems. Riders shall remain seated while the bus is in motion.
5. Riders shall not block the aisle or emergency exit with their body or personal belongings. Riders may bring large or bulky items, such as class projects or musical instruments, on the bus only if the item does not displace any other rider or obstruct the driver's vision.
6. Riders should be courteous to the driver and to fellow passengers. Vulgarity, rude, or abusive behavior is prohibited.
7. Any noise or behavior that could distract the driver, such as loud talking, scuffling or fighting, throwing objects, or standing or changing seats, is prohibited and may lead to suspension of riding privileges.

(cf. 5144 - Discipline)

8. Riders shall not use tobacco products, eat, or drink while riding the bus.

(cf. 5131.62 - Tobacco)

9. Riders may bring electronic devices onto the bus only if such devices are permitted at school. If the use of cellular telephones or similar devices disrupts the safe operation of the school bus, the bus driver may direct the student to no longer use the device on the bus.

(cf. 5131 - Conduct)

BUS CONDUCT (continued)

10. Riders shall not put any part of the body out of the window nor throw any item from the bus.
11. Riders shall help keep the bus and the area around the bus stop clean. Riders shall not damage or deface the bus or tamper with bus equipment.

(cf. 6163.2 - Animals at School)

13. Upon reaching their destination, riders shall remain seated until the bus comes to a complete stop and upon the signal from the driver, unfasten any restraint system, enter the aisle, and go directly to the exit.
14. Riders should be alert for traffic when leaving the bus and shall follow the district's transportation safety plan when crossing the road and exiting the bus.

(cf. 3543 - Transportation Safety and Emergencies)

The driver or any passenger shall report any violation of the district's bus rules to the principal or designee. The principal or designee shall notify the student's parent/guardian of the misbehavior, determine the severity of the misconduct, and take action accordingly. In instances of a severe violation or repeated offenses, the rider may be denied transportation for a period of time determined appropriate by the principal or designee.

BUS DISCIPLINE PROCEDURES

Violation of the posted rules and regulations may result in the loss of bus-riding privileges. A student riding the bus in the Poway Unified School District is disciplined in accordance with the statutes of the State of California, and will be subject to disciplinary actions for violation of any of the rules of student discipline in the Poway Unified School District, as outlined in Board Policies and Administrative Regulations.

Disciplinarians shall normally apply progressive discipline procedures with:

1. The first offense, a warning;
2. The second offense, lunch or afterschool detention;
3. The third offense, bus riding privileges shall be suspended for five school days;

4. The fourth offense, bus riding privileges shall be suspended for ten school days;
5. The fifth offense, bus riding privileges shall be suspended for forty school days;
6. The sixth offense, bus riding privileges shall be suspended for the remainder of the school year

However, disciplinarians shall have the latitude to increase or decrease the normal corrective measure, within reason, considering the student's age, frequency and severity of offense, and other patterns of behavior. In cases where the disciplinarian determines that the student's behavior causes a danger to persons or property, the student may be immediately suspended from ridership.

Bus drivers shall not deny transportation services except as directed by the principal or designee.

Bus Surveillance Systems

The Superintendent or designee shall monitor the use and maintenance of the district's bus surveillance system. Students are prohibited from tampering with the bus surveillance system. Any student found tampering with the system shall be subject to discipline and shall be responsible for the costs of any necessary repairs or replacement.

(cf. 3515.4 - Recovery for Property Loss or Damage)
(cf. 5131.5 - Vandalism and Graffiti)

Camera supports may be installed in all buses. Cameras may be rotated among the buses and activated at the discretion of the Superintendent or designee.
