

ABSENCES AND EXCUSES

The Governing Board believes that regular attendance plays an important role in student achievement. The Board shall work with parents/guardians and students to ensure their compliance with all state attendance laws, and may use appropriate legal means to correct problems of chronic absence or truancy.

(cf. 5112.1 - Exemptions from Attendance)

(cf. 5112.2 - Exclusions from Attendance)

(cf. 5113.1 - Chronic Absence and Truancy)

Excused Absences

Absence from school shall be excused only for health reasons, family emergencies, and justifiable personal reasons, as permitted by law, Board policy, and administrative regulations. (Education Code 48205)

Inasmuch as class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during nonschool hours.

At the beginning of each school year, the Superintendent or designee shall send a notification to the parents/guardians of all students, and to all students in grades 7-12, informing them that school authorities may excuse any student from school to obtain confidential medical services without the consent of the student's parent/guardian. (Education Code 46010.1)

(cf. 5145.6 - Parental Notifications)

Students shall not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or confidential medical appointment.

The Board believes that parents/guardians should be involved in decisions surrounding the medical treatment of their children. Therefore, while the Education Code allows school authorities to excuse students in Grades 7 to 12 inclusive for the purpose of obtaining confidential medical services without the consent of the student's parent/guardian, it is the policy of the district that school authorities will not do so.

Student absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to law and administrative regulations. (Education Code 46014)

Effect of Absence on Grades/Credits

If a student's absence is excused under Education Code 48205, he/she shall be allowed to complete any missed assignment or test that can be reasonably given, as determined by the

teacher of that class. The student shall be given full credit for the assignment or test if he/she satisfactorily completes the assignment or test within a reasonable period of time. (Education Code 48205)

A student's grades may be affected by excessive unexcused absences in accordance with Board policy.
