

STUDENT RECORDS

The Governing Board recognizes the importance of keeping accurate, comprehensive student records as required by law. The Superintendent or designee shall ensure that the district's administrative regulation and school site procedures for maintaining the confidentiality of student records are consistent with state and federal law.

The Superintendent or designee shall establish administrative regulations governing the identification, retention, and security of student records. These regulations shall ensure the rights of authorized persons to have timely access to student records and shall protect students and their families from invasion of privacy.

The custodian of records shall be responsible for implementing Board policy and administrative regulation regarding student records. (5 CCR 431)

No information or documents regarding the citizenship or immigration status of students or their family members shall be collected, except as required by state or federal law or as required to administer a state or federally supported educational program. The Superintendent or designee shall not disclose student records to a person, agency, or organization for immigration enforcement purposes without parental consent, a court order, or a judicial subpoena. If a district employee receives such a request, he/she shall immediately report the request to the Superintendent. The Superintendent shall report the request to the Board in a timely manner that ensures the confidentiality and privacy of any potentially identifying information. (Education Code 234.7)
