

LIBRARY MEDIA CENTERS

The Governing Board recognizes that school libraries support the educational program by providing access to a variety of informational and supplemental resources that can help raise the academic achievement of all students. The Board desires that school libraries be stocked with up-to-date books, reference materials, and electronic resources that promote literacy, support academic standards, and prepare students to become lifelong learners.

Selection and Evaluation of School Library Materials

Library materials shall include print and electronic resources that align with the curriculum and are accessible to students with varying cognitive or language needs.

Library materials shall be evaluated and selected through a process that invites recommendations from administrators, teachers, other staff, parents/guardians, and students as appropriate.

Library materials shall be continually evaluated in relation to evolving curricula, new formats of materials, new instructional methods, and the needs of students and teachers. Materials that contain outdated subject matter or are no longer appropriate shall be removed.

Library Instruction

Teacher librarians and/or classroom teachers shall provide library instruction to develop students' literacy skills. Such instruction shall be aligned with stated academic standards for library instruction and shall prepare students to:

1. Access information by applying knowledge of the organization of libraries, print materials, digital media, and other sources
2. Evaluate and analyze information to determine appropriateness in addressing the scope of inquiry
3. Organize, synthesize, create, and communicate information
4. Integrate information literacy skills into all areas of learning and pursue information independently to become life-long learners
5. Teacher librarians also may provide support to teachers, administrators, and other staff by identifying instructional materials that will aid in the development of curriculum and instructional activities and by providing information about effective and ethical uses of school library services and equipment.
