

TRANSITIONAL KINDERGARTEN

The Governing Board desires to offer a high-quality transitional kindergarten (TK) program for eligible children who do not yet meet the minimum age criterion for kindergarten. The program shall assist TK children in developing the academic, social, and emotional skills they need to succeed in kindergarten and beyond.

The district's TK program shall be the first year of a two-year kindergarten program. (Education Code 48000)

Eligibility

The district's TK program shall admit children whose fifth birthday is from September 2 through December 2. (Education Code 48000)

Parents/guardians of eligible children shall be notified of the availability of the TK program and the age, residency, immunization, and any other enrollment requirements.

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

(cf. 5141.22 - Infectious Diseases)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

(cf. 5141.32 - Health Screening for School Entry)

Upon request of a child's parents/guardians, the district may, on a case-by-case basis after the Superintendent or designee determines that it is in the child's best interest, admit into the district's TK program a child whose fifth birthday is on or before September 1 and who is therefore eligible for kindergarten.

Curriculum and Instruction

The district's TK program shall be based on a modified kindergarten curriculum that is age and developmentally appropriate. (Education Code 48000)

(cf. 6141 - Curriculum Development and Evaluation)

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

The program shall be aligned with the preschool learning foundations and preschool curriculum frameworks developed by the California Department of Education. It shall be designed to facilitate students' development in essential skills related to language and literacy, mathematics, physical development, health, visual and performing arts, science, history-social science, English language development, and social-emotional development.

(cf. 5148.3 - Preschool/Early Childhood Education)

(cf. 6011 - Academic Standards)

(cf. 6174 - Education for English Language Learners)

TRANSITIONAL KINDERGARTEN (continued)

The Board shall establish the length(s) of the school day in the district's TK program. TK programs may be maintained for different lengths of time either at the same or different school sites, as long as the school day is at least three hours but no more than four hours. The Superintendents or designee shall annually report to the California Department of Education as to whether the district's TK programs are offered full day, part day, or both. (Education Code 37202, 46111, 48003)

(cf. 6111 - School Calendar)
(cf. 6112 - School Day)

TK students may be placed in the same classrooms as kindergarten students when necessary, provided that the instructional program is differentiated to meet student needs.

Staffing

The Superintendent or designee shall ensure that teachers assigned to teach in TK classes possess a teaching credential or permit from the Commission on Teacher Credentialing (CTC) that authorizes such instruction.

(cf. 4112.2 - Certification)

A credentialed teacher who is first assigned to a TK class after July 1, 2015, shall, by August 1, 2020, have at least 24 units in early childhood education and/or child development, comparable experience in a preschool setting, and/or a child development teacher permit issued by the CTC. (Education Code 48000)

The Superintendent or designee may provide professional development as needed to ensure that TK teachers are knowledgeable about the standards and effective instructional methods for teaching young children.

(cf. 4131 - Staff Development)

Continuation to Kindergarten

Students who complete the TK program shall be eligible to continue in kindergarten the following school year. Parents/guardians of such students shall not be required to submit a signed Kindergarten Continuance Form for kindergarten attendance.

However, whenever children who would otherwise be age-eligible for kindergarten are enrolled in TK, the Superintendent or designee shall obtain a Kindergarten Continuance Form signed by the parent/guardian near the end of the TK year consenting to the child's enrollment in kindergarten the following year.

TRANSITIONAL KINDERGARTEN (continued)

A student shall not attend more than two years in a combination of TK and kindergarten.
(Education Code 46300)
