4.100 EMPLOYMENT REQUIREMENTS

SECTION 4.100.2 Tuberculin Test

Employees New to the District

New employees are required to furnish a chest x-ray certificate or a negative intradermal tuberculin test as a condition of employment. Cost of this test is to be borne by the new employee.

Renewal of Verification

Employees of the District must provide verification of freedom from tuberculosis every four years.

Employees may have the tuberculosis testing done by PUSD District Health Services, the County Department of Health Services, or own medical care provider.

If test is obtained through District Health Services there is no charge to the employee.
