SECTION 4.203 STUDENT TEACHER POLICY

It shall be the policy of the District to participate actively with local colleges and universities in the training of student teachers. Cooperative efforts by the District and teacher training institutions are designed to:

- A. Provide opportunities for student teachers to acquire the proficiencies necessary for professional employment.
- B. Provide opportunities for master teachers to supervise and direct the activities of student teachers and thereby promote the professional development of both the master teacher and the student teacher.
- C. Provide a continuing source of qualified prospective teachers who will meet District standards for employment.
