Acrylic Mixed Media
Winter II 2022 Supply List
Instructor: Naomi Lesberg

During this 3-week class, you will be exploring ways to combine paint with other media, especially water-soluble drawing media and collage, and use them on different surfaces. The goal is to expose you to new creative possibilities while having fun. Choosing a theme could be helpful: Collect words and images! Some examples: flowers, family, holidays, animals, landscapes.

Please bring:

- Canvas panels or stretched canvas, in sizes you like for. You may also use heavyweight watercolor or mixed media paper. It's only a 3-week class so you don't need much, but larger is better than smaller.

- Your usual acrylic or watercolor painting supplies: paints, brushes, knives, palettes, water containers, etc.—whatever you usually use when you paint.

- Water-soluble drawing materials, such as watercolor colored or graphite pencils, Woody 3 in 1s, pastels, etc.

- Fabric scraps and/or patterned scrapbook paper for collages.

- Masking tape or painters' tape.

- Acrylic medium (matte or gloss) or Elmer's glue, Tacky glue, etc.

- Paper towels.

- Small spray bottle for water.

- Apron, smock, or wear "dress for mess" clothes.

- If you have art you want to work on, bring it! If you have a "failed" painting or one that you're not sure what to do with, that's even better! Bring it also!

If you are a continuing student, you already know what you need. Bring what you're working on. You will have time, and you will get help.

If you're not sure about supplies, please check with me first before buying anything.

Where to buy supplies? Artist & Craftsman Supply (Hillcrest), Dick Blick (Little Italy), Walmart, Michaels, and Joann Fabric & Craft. (Note: Michaels and Joann honor each other's coupons.) There are many online sources and catalogues, too, such as Cheap Joe's, Jerry's Artarama, and Amazon.

Pease contact me if you have any questions at all: nslesberg@gmail.com

I look forward to seeing you!

Naomi ☺
