School Profile 2018-19

Established in 2009, Del Norte High School is a comprehensive public high school in grades 9-12 and is fully accredited by the Schools Commission of the Western Association of Schools and Colleges (WASC). Recognized as a 2013 California Distinguished School and a 2016 Gold Ribbon School, DNHS is the fifth and most recent comprehensive high school to be opened in the Poway Unified School District. Our state-of-the-art campus is located in the newly established suburban communities of 4S Ranch and Del Sur. While Del Norte offers many of the same courses as other Poway Unified high schools, it is unique with its combination of the trimester schedule, the veteran faculty and the sophisticated facility. The school's design has taken into account the rapid transformation of technology and is equipped to respond to new mediums of communication as they emerge. In a district with a population of more than 33,000 K-12 students, Del Norte currently serves 2,365 students with a senior class of 517 students.
