TEAM RULES!

1. All players must wear closed toed shoes (running shoes/sneakers)
2. The first team to legally eliminate all opposing players will be declared the winner.
 - A time limit has been established for each contest. If neither team has been eliminated at the end of the time limit, the team with the greater number of players remaining will be declared winner. In the case of a tie, an overtime of 1 minute will be given. If the teams are still tied, the match will go into *sudden death*.
3. Players will be on their honor to rule whether or not a hit was legal or whether they were legally eliminated; however, court monitors will be there to help officiate.
4. Intentional head shots are automatic outs.
5. Dodgeballs cannot be held for any duration longer than 5 seconds.
6. Any subs for a team member must have a completed liability form.
7. After the start bell, a "safe zone" is enacted between the balls and the light green line. If you are hit in this area during ball collection, you are not out. You may also not throw balls in this area.
8. If a player is hit by a ball coming off the wall, they are not out. If a player catches a ball coming off the wall the person who threw it is out.
9. Teams must stay in the boundary lines at all times.
10. A caught ball = 1 team member who is "out" allowed back in. This happens in sequential order.

CODE OF CONDUCT

1. Understand, appreciate, and abide by the rules.
2. Respect the integrity and judgment of the court monitors and officials.
3. Respect your opponents and congratulate them in a courteous manner following each match whether in victory or defeat.
4. Take responsibility for your actions and maintain self-control.
5. Do not taunt or bait opponents and refrain from using foul or abusive language.
6. Be sure to have fun and give it your all! (nicely, respectfully, and with integrity please)
