

Del Norte High School Families,

We have good news! Effective today, May 12, 2021, we have been given approval by our District to lift spectator restrictions for our outdoor athletic events. Additionally, all gym, tennis courts and pool deck activities will increase from two to four spectators ***per household***. Face coverings and physical distancing between families are still expected.

Thank you for your patience and understanding as we navigate through these ongoing changes.

Sincerely,
DNHS Athletic Department
