PSAT/NMSQT

(Preliminary SAT/National Merit Scholarship Qualifying Test)

The PSAT is a practice for the SAT Reasoning Test, which measures critical reading skills, math problem-solving skills, and writing skills. The 2021 PSAT is a student's opportunity to experience the format and questions of the SAT. DNHS will offer the PSAT/NMSQT® only to 10th and 11th-grade students currently attending Del Norte High School.

Sophomores

Taking the PSAT will help identify specific academic areas where students would benefit from further study or practice for the SAT. In addition, it will provide students with insight into potential additional coursework, preparing them for the academic rigors of college. **PUSD is no longer paying for the PSAT/NMSQT for 10th graders.**

Juniors

Taking the PSAT is an opportunity to qualify for the National Merit Scholarship Corporation (NMSC) scholarship program and additional preparation for the SAT Reasoning. NMSC program information can be found at www.nationalmerit.org.
