COURSE OFFERINGS FOR SCIENCES

9th Grade

10th Grade

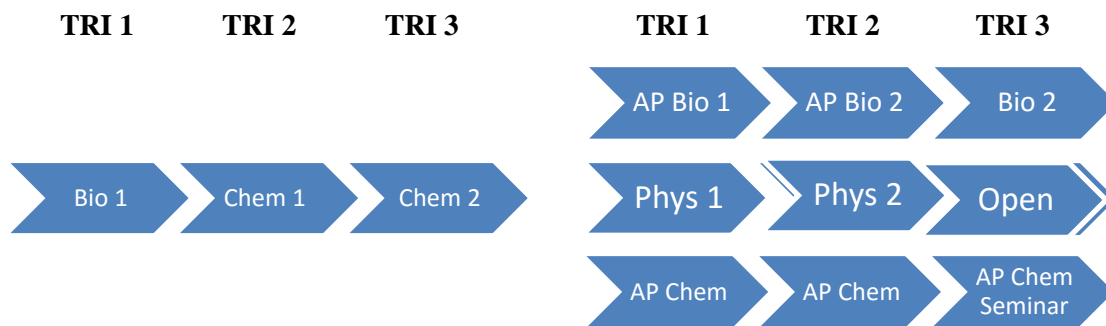

11th & 12th Grade Possible Options

RECOMMENDED 9th GRADE PATHWAY:

* **Biology 1-2 (2 classes) may be offered as Tri 2 & 3 sequence or with gap trimester such as Bio 1 in Tri 1 and Bio 2 in Tri 3.**

**ACCELERATED YEAR-LONG PATHWAY - 3 Options:

Advantages of following accelerated year-long pathway:

- Three years of science in 2 school calendar years
- Opportunity to experience an AP class as sophomore
- Flexibility to take more AP courses and electives
- Fills A-G science requirements in 2 school calendar years

**Recommended concurrent enrollment in Integrated 2a-2b or higher math level and a grade of “B” or higher in Biology 1 of Tri 1.

***May also be taken concurrently with or following the completion of Biology 1-2.
