

EXPLORER INFORMER

The Kids Heart Challenge is held at schools across the country, delivering heart-healthy physical activity through service learning for the American Heart Association. We will share information about DSES' Kid Heart Challenge at Friday Flag on January 6.

Dear DSES Families,

We hope you all had an enjoyable and safe Thanksgiving Break with your family and friends. My family celebrated having both our kids home from college. We spent time eating food that they missed while being away from home.

We had a nice Friday Flag before break recognizing our military veterans and Mrs. O. and Mrs. Nowak for receiving an innovation learning grant to support our Explorers.

Here's what's happening this week:

- 11/28: School Spirit Day
- 11/29: X-Ploration Day
- 11/30: Lockdown Drill Practice at 9:00 a.m.
- 11/30: Cathedral Tutoring Program and SSC Meeting
- 12/2: College Wear Day and ASB Meeting at 8:00am in Library

Sincerely,
 Eric "Mr. T" Takeshita
 Principal, Del Sur Elementary School

Mr. T's Quick-Connect Question:

If you could spend the whole day with one person, who would it be and what would you do?

Thank you, Del Sur Elementary School sponsors!
