## Hour of Code Experience

Grade 2 Explorers in Ms. DiCarlo's class (pictured) enjoyed a coding activity with DSES' Voyager Coach, Jason Spence. The students went to a coding site where they completed various coding activities. Other classrooms also participated in coding experiences as part of last week's The Hour of Code program.

### Dear DSES Families,

Another great week at Del Sur Elementary. It's always nice to close the week with a Friday Flag. We are looking forward to this last week of school before we are on a two-week winter break.

Parent drivers, please remember the following when driving into the DSES parking lot:

- There is no double parking, since this makes it difficult for other drivers back out of their spaces
- There is no parking in the curbside drop-off area
- Please drive slowly in the parking lot and watch out for students and parents walking to their cars

This Friday, we have our next ASB Spirit Day, "Pajama Day," and look forward to seeing our Explorers and staff in their favorite pajamas.

### What's happening this week:

- 12/12: Band and orchestra concert
- 12/13 X-Ploration Day
- 12/13 BizTown field trip
- 12/16 ASB Pajama Day
- 12/16 ASB meeting

Sincerely,

*Eric "Mr. T" Takeshita*  
Principal, Del Sur Elementary School

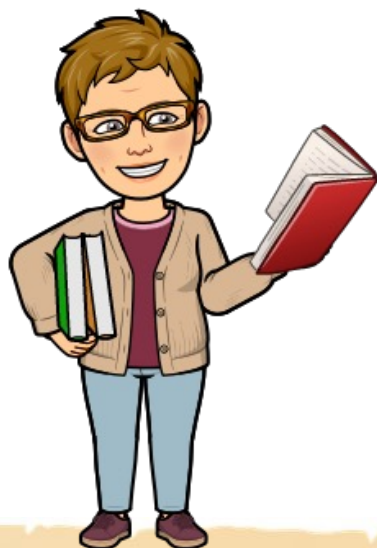

### Mr. T's Quick-Connect Question:

What is one thing you need to take with you when you travel that brings you comfort and why?
