

HOW TO STAY CONNECTED WITH PUSD

click on the above icons to take you to each page

Follow us on these social media platforms to connect and communicate with the District. Receive the latest information, including emergency updates.

Be sure to use the hashtags #PowayUnified and #TeamPUSD on your own posts throughout the year to join the conversation and have your photos featured.

Look for the monthly #TeamPUSD newsletter coming directly to your email inbox for messages from the Superintendent and District-wide news and events.

Download the FREE PUSD app for your smartphone. It's a one-stop shop for notifications, school calendars, sports schedules, and lunch/bus accounts.

Each of our schools have their own websites. Make sure to bookmark them and visit them throughout the year for site specific announcements and events.
