Sunscreen Application Permission for ESS

It is recommended that Sunscreen be applied prior to arriving to ESS. ESS staff will reapply sunscreen throughout the day.

- It is the responsibility to apply sunscreen to their children BEFORE coming to ESS.
- Parents are encouraged to provide hats and sunglasses for their children.
- Parents are encouraged to promote independence by teaching children how to apply sunscreen and ask for help.
- Parent's permission is required in order for sunscreen to be applied during ESS program hours.

During your enrollment at ESS -----initial

Student Name: _____

School Site: Valley ESS

I give ESS permission to *assist* with the *application* of sunscreen for my child:

Parent Signature

Date
