

# POWAY UNIFIED SCHOOL DISTRICT

April 2019

Dear Parent/Guardian:

Welcome to the Poway Unified School District! To assist you as you enroll your child in kindergarten, or transitional kindergarten, we have included important information to help you know what to bring to your student's school for enrollment.

## Proof of age:

1. A certified birth or baptismal certificate is required for proof of age. As required by State law, your child **MUST BE FIVE YEARS OF AGE ON OR BEFORE SEPTEMBER 1, 2019**. If your child has his/her 5<sup>th</sup> birthday September 2, 2019 – December 2, 2019, they will be enrolled in Transitional Kindergarten.

## Proof of Immunizations:

2. California immunization requirements are:
  - **Polio** – 4 doses (3 doses if at least one dose was given on or after fourth birthday)
  - **DTP** – 5 doses (4 doses if last dose was given on or after fourth birthday)
  - **MMR** – 2 doses (Both doses must be given on or after first birthday)
  - **Hepatitis B** – 3 doses
  - **Varicella (Chickenpox)** – 2 doses (**OR** health care provider documentation of Chickenpox disease)
3. All children are required to have their immunizations fully completed/up to date before enrolling in Kindergarten or Transitional Kindergarten, unless exempted as provided by law. The official record is the child's personal immunization document obtained from their health care provider, which contains the following information:
  - Name of child
  - Date of birth
  - Name of immunization administered
  - Day, month and year of each immunization
  - Signature or stamp of health care provider or agency administering each immunization

**NOTE: ALL IMMUNIZATIONS MUST BE UP TO DATE AND VERIFIED AT ENROLLMENT!  
STUDENTS WILL NOT BE ALLOWED TO ATTEND SCHOOL WITHOUT THIS EVIDENCE.**

Under state law SB 277, effective January 1, 2016, exemptions based on personal/religious beliefs are not an option for vaccines required for school entry in California. Personal/religious beliefs waivers currently on file for a child already attending child care or school will remain valid until the child reaches the next immunization checkpoint at Transitional Kindergarten/Kindergarten and 7<sup>th</sup> grade. At those grade levels, all vaccinations must be completed/up to date. Medical exemptions, either permanent or temporary, are only acceptable with a written statement from a California licensed physician (M.D. or D.O.) Temporary medical exemptions are only valid for a period of 12 months.

## Requirement for Physical and Oral examinations:

4. All students are required to have a specific physical examination when entering **first grade**. This Child Health and Disability Prevention (CHDP) examination may be obtained within 18 months prior to entering first grade. *The pre-kindergarten physical qualifies if obtained within six months prior to entering Kindergarten in August 2019. Please request forms from your school.*

If you meet income eligibility, a no-cost physical may be available to you. Check with the Health Technician for names of physicians/clinics in the area.

5. Oral Health Assessments (dental screening) are required for all children entering public school for the first time at either the TK, kindergarten or first grade level. Forms are included in enrollment packets.

**Proof of Residence:**

All school districts in California have been advised that the State Controller's Office will rigorously enforce Title V (Administrative Code) and Education Code provisions for verification of residency for school attendance. It is, therefore, necessary for district staff to verify residency of all enrolling students. The enrolling parent/legal guardian/foster parent/relative will be required to complete a Residency Verification form and present two of the following original documents, which will be photocopied and kept in the student's file. Any subsequent change of address for the student will also require any **two** of the following documents:

- Deed to home
- Mortgage payment receipts or coupons
- Escrow papers for new home
- Property tax receipt
- Current bill from local utility company, including cable TV
- Receipt for deposit with local utility company, including cable TV
- Driver's license
- Military orders (base housing office written verification)
- Rental agreement
- Rent receipt
- Bank statement
- Any other legal document(s) which establishes home address within school boundaries

**Enrollment Forms:**

Additionally, enrollment forms (which may be obtained on the district website) are required and all forms must be completed and submitted before a child is eligible for admittance.

The above mentioned items **must** be provided to the site during your respective enrollment time (see schedule of page 3).

If you are unable to enroll your child by June 20th, more information will be forthcoming on how to enroll during the summer months. Information will be posted on our website in April at this address: <http://www.powayusd.com/enrollment/> regarding this process.

If you have any questions, please contact the elementary school in your area.

Sincerely,
