

PARENTING A GIFTED CHILD!

2018-2019

Set Your Child Up For Success!

Has your child been identified GATE or gifted? Back by popular demand! This evening will offer strategies for the three most common challenges gifted children struggle with:

- 1. Perfectionism - No one is perfect!*
- 2. Self-confidence - Learning involves trying new things and taking risks!*
- 3. Making mistakes - Accepting failure and disappointment with grace!*

*Presented by Laurie Wong,
