School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Staff Pledge: We are committed to creating a school that knows no limits to the character development and academic success of each student...No Excuses!

The Garden Road staff has committed to developing a Culture of Universal Achievement. Our pledge states our belief that we are committed to putting all of our effort and resources into promoting and supporting the achievement of each of our students. We believe that we best achieve this goal through routine collaboration and development of common practices that promote a positive school culture, academic rigor and engaging classrooms. MAP assessments have been a valuable resource in grades kindergarten through grade five for many years. These and other CORE Assessments are used to monitor student and grade level achievement and develop growth goals that drives instruction.

Garden Road School is tucked away amid rock-strewn foothills in the southeast corner of the suburban community of Poway, California. Constructed in 1961, Garden Road serves 480 students from preschool through fifth grade. Our school also provides a preschool experience for approximately 30 three and four year olds in a traditional fee-based preschool. We offer a two year Transitional Kindergarten program which meets the needs of some of our youngest students. Our Kindergarten students attend a full school day, allowing for additional academic instructional time.

Garden Road serves as home to 30 Special Day Class students in three classes. Our Special Day Class structure parallels the regular education strand of service from preschool through fifth grade in the Autism Spectrum Disorder classes. Some of the Special Education students are mainstreamed into the regular education classes and programs. This provides a valuable learning experience for all students. Our Extended Student Services program provides before and after school care, academic assistance and enrichment for approximately 140 students. This year we qualified as a Title 1 school and receive federal funds to help close the achievement gap and to help support our students at risk of not meeting academic success and standards.

Over the past years, Garden Road has benefited from district improvement projects, with them most recent modernization in 2006/2007. This resulted in a new Multipurpose building that includes a lunch area and cafeteria. Additionally, there is a Library Resource Center which functions as a library and project learning area, and a computer lab. All classrooms and teaching rooms have LCDs, computers, mobile technology, and enhanced audio systems.

Seventy-five staff members provide ideas and bring individual strengths to our school as we continue to support our philosophy of supporting universal achievement. The strength of Garden Road School is in its caring staff and community: the immediate community of staff and students, the larger community of parents and the greater community of neighbors, businesses and caring adults cooperating in pursuit of the common goal of "All Students Learning, Whatever it Takes". MISSION STATEMENT Our mission is to ensure that each student at Garden Road will develop the necessary knowledge, skills, and attitudes essential for post secondary success and will thrive in a diverse society. Parents and community are vital to the success of this mission. To fulfill our mission:

- Students will be encouraged to develop independence, responsibility, and respect for all people
- Teachers will provide differentiated, standards-based instruction that engages students in their learning
- Instructional decisions will be based upon data and attention to students' unique learning styles
- Students and staff will use technology as a tool for accessing and presenting information
- By focusing on building supportive relationships, the staff, parents and community will provide a positive, safe learning environment for all students
- Students will develop positive character by learning and using the Pillars of Character
- Students and staff are building a Growth Mindset with the continued belief that, "Yes, we can and we have not learned it yet."

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	71.0	79.0	74.0	74.0	48.0	50.0
Mathematics (grades 3-8 and 11)	65.0	70.0	66.0	67.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	212	202	95.28	78.71

English Learners	32	30	93.75	73.33
Students with Disabilities	29	26	89.66	42.31
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	21.7	22.9	28.9

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Our school is located in a middle class community and benefits from strong parent and community support. Garden Road has two active parent organizations that work hand-in-hand to support our students and school needs. The GRES Foundation, which was formed in 2013, supports intervention and technology. The PTA supports our students and school programs through volunteering and funding: art instruction, field trips, assemblies, extra instructional materials, Running Club and the SPARK PE program. The Foundation, PTA and school work closely together to achieve common goals. Additionally, senior citizens volunteer through the Oasis Program, providing individualized reading support for students in the primary grades. The strength of Garden Road School is in its caring community: the immediate community of staff and students, the larger community of parents and the greater community of neighbors, businesses and caring adults cooperating in pursuit of the common goal of supporting the success of all of our students.

Our Garden Road Site Council comprised of parents, administration, and classified and certificated staff are active participants in supporting our school goals, and ensuring that our budget is managed to support the academic and social emotional needs of our students. Our Title 1 Annual Parent Meeting and English Language Learner parent groups serve as advisory extensions and participants as well.

Parent volunteers work in a variety of capacities such as: Volunteer Workroom, Art support, Book Fairs, Classroom Support and other PTA, Foundation, and Dad’s Club activities. Parent education nights are held throughout the year and planned with input from our PTA and School Site Council parent representatives. Parents receive on-going communication through a current school website, weekly Gardener newsletter, parent education opportunities, Social Media and weekly Connect5 messages.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	0.9	0.2	0.0	1.2	1.3	1.6	3.7	3.7	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Garden Road places strong emphasis on safety for students and staff. We embrace Character Counts by infusing these values into our Positive Behavior Plan, school assemblies, student recognition programs, lessons and murals. Teachers and the principal teach students problem solving skills, anti-bullying strategies and positive communication. Our staff, students, and families are focusing on developing a Growth Mindset and maintaining positive attitudes and beliefs.

Our staff, PTA and School Site Council discuss current safety practices and make routine adjustments. All school visitors must check in and out of the office and wear an identification badge, as all gates are locked during the school day.

Emergency plans are reviewed regularly and updated as needed. Annual training procedures and drills for earthquakes, fire and bus evacuation are held. Maintenance staff work with the school and custodians on a scheduled preventive program to offset costly repairs. The school has an up to date Asbestos Plan. Extended Student Services is available to students for before and after school childcare.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

The district's general fund includes monies for:

1. General operations—salaries, benefits, services, materials, and support to the general education
2. Special education—programs offering appropriate, individualized education to students with special needs
3. Supplemental grants used to increase or improve services to unduplicated pupils
4. Special projects/grants
5. Transportation
6. Facilities, Maintenance and operations
7. District administration

Each school in the district receives an instructional budget based on enrollment, programs, and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

Percent of Budget for Administrative Salaries	4.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of technology in teaching and learning, California State Standard Reading, Writing, and Math, effective use of assessments, and positive discipline in-services. Teachers and administrators are actively involved in professional development activities at the school and district. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status. Our professional development has focused on reading/language arts instruction with the newly adopted Benchmark Reading/Language Arts program and the CORE Assessments for phonemic awareness, phonics and fluency and reading comprehension. We have also focused on integrating technology as a tool to enhance and differentiate learning and provide student engagement. Our staff engaged in professional development on Growth Mindset vs. Fixed Mindset and how this can have a positive effect on learning and social emotional development.

Staff Development is offered monthly at our bi-monthly staff meetings and during our district and on-site professional growth days. Teachers also engage in collaborative planning and professional development during their bi-monthly X-Ploration grade level collaborative planning time.
