School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Morning Creek was built in 1990 and was renovated during the summer of 2010. As you enter the Morning Creek campus you are greeted by bright colors that represent the pillars of good character. These pillars are part of the Character Counts program which supports a positive school culture. Morning Creek enrollment has held steady over the years and currently hosts 794 students. Morning Creek has a beautifully diverse population with 19.4% of students enrolled being English learners that speak over 31 different languages.

Morning Creek Mission:

At Morning Creek Elementary School, we share a collective responsibility to provide our students with the skills necessary to prepare them for college, career, and success in a global society.

Our mission serves to focus our day-to-day work with students and colleagues. Morning Creek Elementary is a proud member of the No Excuses University network of schools. As a member of the NEU network, we focus our work around the six exceptional systems; Culture of Universal Achievement, Collaboration, Standards Alignment, Assessment, Data Management, and Interventions. Using these systems, we analyze and design student pathways based on need. We are focused on college and career readiness for all students to ensure our students are prepared with a strong educational foundation for their future. Each classroom at Morning Creek has adopted a college and during our bi-monthly Friday Flag assemblies, each class proudly represents their college by wearing their t-shirts and calling out their college cheers. This symbolic college-readiness focus is followed by rigorous and engaging classroom learning. Student goal setting is a core value at Morning Creek.

Each day, we recite a positive affirmation through our morning announcements known as the Morning Creek Pledge:

Today is a new day.

I will improve myself.

There are no limits to my personal success.

I will. I can. I must.

No Excuses!

It is the collective goal of each staff member to instill positive self-esteem and perseverance within each child. We also have students in grades 3rd-5th set personal academic goals for their learning. Students review their progress with their teacher, set academic goals in a specific area and a plan to achieve the goal. Each trimester, Goals Assemblies are held to celebrate students' achievement of these goals. Goal setting helps students take responsibility for their learning and helps them see the relationship between effort and achievement. Also, Morning Creek promotes positive character traits through the Character Counts program. The character pillars; respect, responsibility, trustworthiness, caring, fairness, and citizenship are also celebrated at our awards assemblies.

Morning Creek is a wonderful place for children. Staff, parents and students work together to create a warm, welcoming atmosphere. Our PTA provides numerous family activities during the year including movie nights, science nights, Inventor's Fair, and Multicultural Night. Our Morning Creek Foundation also hosts events such as Read-a-thon, Apex Fun Run and our annual Auction Night fundraiser. These two parent groups work collaboratively to support students and staff. Our Foundation continues to support increasing technology. All classrooms have document camera's, Promethean board for all classrooms 1st-5th grade, a class set of Chromebooks for each class in grades 2nd-5th to increase student access to technology. Our 1st grade classrooms have 6 Chromebooks per classroom and a cart that they share.

Teamwork is a way of life at Morning Creek Elementary. We work together with one another and with parents to maintain a focus on what is best for children. We strive to develop teamwork and collaboration within our students as well through classroom activities and Running Club. Classrooms with the most laps are recognized through the monthly Colt Stampede Trophy presentation.

Morning Creek believes in our children and maintains high expectations for their learning. We will. We can. We must...ensure they succeed.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	70.0	75.0	74.0	74.0	48.0	50.0
Mathematics (grades 3-8 and 11)	66.0	74.0	66.0	67.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	379	373	98.42	75.34
Male	213	209	98.12	71.29
Female	166	164	98.80	80.49
Black or African American	11	11	100.00	54.55
Asian	96	93	96.88	81.72

English Learners	87	83	95.40	67.47
Students with Disabilities	53	53	100.00	20.75

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	8.7	25.2	60.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Morning Creek recognizes the importance of the partnership between home and school and remains committed to supporting the Parents As Partners Core Value. Parents have been included in the improvement process and serve in an advisory capacity on committees such as our School Site Council and ELAC. Parent volunteers work in a variety of capacities such as: Volunteer Workroom, in-class support throughout the day, art docents, science support, Book Fairs, Running Club, Apex Fun Run, Multi-cultural Night, Inventor's Fair, Robotics Club, Musical Theater, Safety Patrol, parking lot help, Safety Committee, Super Colts, Colt Chorus and general classroom support. Morning Creek typically logs over 8,000 volunteer hours each year. Parents also are very active in our PTA and with our Morning Creek Foundation. We have a strong core of parents that participate weekly at school. Teachers use My Connect and Google Classroom, and Remind to increase communication and involvement of parents through electronic communication. All teachers communicate via email on a regular basis and use social media sites to ensure a strong connection between home and school. The site administrator records a weekly call out to inform our families of upcoming events. In addition, the principal hosts three Principal's Coffees a year which focus on topics such as; achievement, bullying, and the No Excuses Network.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Morning Creek places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fire, lockdown, disaster and bus evacuation are held. Maintenance staff works with a scheduled preventive program to offset costly repairs. The School Safety Plan and drills are discussed with parents annually at Principal Coffees,

School Site Council meetings, and Safety Committee meetings. The school has implemented a Safety Committee. Members from this committee attend the district safety meetings and bring this information back to the school sites. The leadership and staff have been trained in the Options Based Response and walked our campus to look for places where more security may be needed. Extended Student Services is available to students for before and after school childcare. The Extended Services staff is trained in security measures with our regular school staff. Our staff also receives training from the district office through Tabletop Exercises, and the parents receive safety information through visiting speakers and trainers who visit our campus. Our safety plan is kept in the front office and reviewed each year by various committees. The latest review took place on October 29, 2018.

A computer-based visitor program ensures all guests on campus are identified. Gates are secured during school hours and all staff wear identification badges.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

The district’s general fund includes monies for:

1. General operations—salaries, benefits, services, materials, and support to the general education
2. Special education—programs offering appropriate, individualized education to students with special needs
3. Supplemental grants used to increase or improve services to unduplicated pupils
4. Special projects/grants
5. Transportation
6. Facilities, Maintenance and operations
7. District administration

Each school in the district receives an instructional budget based on enrollment, programs, and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

Percent of Budget for Administrative Salaries	4.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of computer technology in teaching and learning, critical reading, writing and mathematics strategies, effective use of assessments, positive discipline in-services, and multicultural training. Teachers and administrators are actively involved in professional development activities at the school, district, state, and national level. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.

At Morning Creek, our professional learning focus is on implementing the district adopted curriculum "Benchmark" in grades K-5. In addition, a new intervention program, SIPPS, has been implemented for our first grade students and we are continuing work around this implementation. Last year, grades 3-5 focused on strategies to improve mathematical performance with great success. We will continue that work this year by implementing Lesson Studies that focus on math. This work will focus on the rigor of tasks presented to students, as well as the Depth of Knowledge of the questions, and student engagement with the lesson presented. Morning Creek also implemented a "push in" model of intervention for our students. We are carrying this model to our EL Instructional Assistants. We continue to enhance and hone our RTI model and S3 process, as we provide a strong technology training and support program for our teachers.
