2021 School Accountability Report Card

A hard copy of the School Accountability Report Card is available upon request in the school office.

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Built in 1994, Park Village Elementary School is located in North San Diego County in the community of Rancho Peñasquitos. Our current school enrollment is approximately 550 students. Park Village has been recognized as a California Business for Excellence Foundation 2009, 2010, 2012, and 2016, 2018 Honor Roll Recipient, and a California Distinguished School in 2000, 2012, and 2018. In addition to being named a National Blue Ribbon School of Excellence in 2001, Park Village was recently named an Exemplary High Performing National Blue Ribbon School for 2020. The teachers, staff, and families of Park Village share a remarkable enthusiasm for educating our children. We began the current school year with 26 classrooms ranging from Preschool through fifth grade. . Additionally, we provide a Resource Specialist Program, four ASD (Autism Spectrum Disorder) classes, TK/K combo, K, K/1 combo, 1st, 2nd, 3rd, 4th and 5th grade classes, a psychologist, and two speech pathologists for support of our students with special with disabilities. In addition, our English Language Learner Program supports a number of our students who are learning English. Park Village is committed to providing a nurturing and inspiring educational program for all of our students. It is our goal to have students realize their full potential. Our program not only includes an emphasis on academics, but also the development of a strong self esteem, an appreciation of the fine arts, an interest in science, and an understanding of technology as a 21st century learning and communication tool. Communication and collaboration are key elements to the success at Park Village. E-mail, ConnectEd voice mail messages, the Penguin News eNewsletter, Foundation newsletter, student and teacher newsletters, and a yearbook, represent a partnership between staff, parents, and students. PTA and Foundation volunteers provide many hours of service and other community members helped enrich student experiences with programs. Learning comes first at Park Village Elementary School where each child is valued and recognized.

MISSION STATEMENT Our mission is to provide differentiated instruction for all students so every student will have the necessary skills for school success. Our vision is to provide all Park Village Elementary School students the educational opportunities that will foster self-directed, capable learners who will succeed in a rigorous, standards-based curriculum. Staff members will provide personalized learning that promotes self-reliant, problem-solving students capable of achieving their fullest potential. These students will then go on to be active citizens who recognize that effort and persistence matter, and that their self-direction and initiative will make their learning relevant, valuable, and meaningful. All students will be prepared for a range of opportunities and choices made available to them as they pursue their interests and passions beyond high school graduation.

CORE VALUES Park Village staff members value the exchange of ideas that are directed toward students' success. All staff members participate as a partner in our collaborative, professional learning community. We will conduct respectful dialogue which focuses on a culture of universal achievement and ownership of all students. We are committed to fostering relationships

2021-22 School Overview

to ensure that all students make positive connections with all staff. We value our citizens as individual learners and will never give up on them.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

School Facility Conditions and Planned Improvements

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Park Village recognizes the importance of the partnership between home and school and we highly value this relationship and treat it as a core belief. Parents are included in the improvement process through the LCAP process and serve in an advisory capacity on school committees. Parent volunteers work in a variety of capacities such as: serving on the School Site Council, PTA Board, serving on the Park Village Elementary Educational Foundation Board, Volunteer Workroom, D.A.D.S. Group, Penguin PALs (Parents Assisting Learning Program), Meet The Masters Art Program, Book Fairs, Jog-a-thon, and providing classroom support as room parents and tutors. To learn about more volunteer opportunities for parents, contact our school's Administrative Assistant, Gigi Marquez at 858 484-5621.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.07	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Park Village places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for disaster preparedness/ earthquakes, fire and bus evacuation and lock downs are held. Each year, a site safety team walks the campus and makes recommendations for improvement and refinement of existing procedures. Staff has participated in Options Based Response Training and other PUSD professional development in this area. Our school has a plan in place to follow all safety protocols and procedures in response to COVID-19 guidelines from the State of California and the San Diego County Department of Health. Maintenance staff work with a scheduled preventive program to offset costly repairs. The school has an up to date Asbestos Plan. Extended Student Services is available to students, providing before and after school childcare.

Professional Development

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of technology in teaching and learning, California State Standards for English Language Arts & Mathematics, Next Generation Science Standards (NGSS), effective use of assessments, positive discipline in-services (PBIS and Social Thinking/ Language), and cultural proficiency. Teachers and administrators are actively involved in professional development activities at the school, district, state, and national level. A number of teachers participate in Teacher Learning Cooperatives (TLC's) each year based upon their choice of professional learning. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status. In addition to certificated opportunities, classified staff participate in professional development activities throughout the year as well.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
