## 2021 School Accountability Report Card

A hard copy of the School Accountability Report Card is available upon request in the school office.

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Shoal Creek Elementary School, built in 1998, and serves approximately 500 students from Transitional Kindergarten through fifth grade. We are fully inclusive school, which incorporates the Structured Academic Instruction model (SAI) which supports our students with special education goals who are in general education classes. Additionally, we have preschool children who attend the parent participation program on campus. The pristine campus is located on top of a commanding bluff in the residential community of Carmel Mountain Ranch. Although Shoal Creek is still a relatively new school, we have attained the distinction of being identified as a California Distinguished School in 2002. The expertise of the staff, the dedication of the parents and the enthusiasm of the students have formed a professional learning community where all partners collaborate together toward the common goal of doing what is best for children and their learning. The community spirit is embodied in our vision statement that proclaims, "You are entering a community where learning is the focus, creativity is encouraged, each individual is valued and success is ensured."

There are 21 certificated teachers, one part-time preschool teacher, two impact teachers and one English Language Learner instructional aide. Our itinerant staff includes a resource specialist, speech specialist, an adapted physical education teacher, occupational therapist, school psychologist, and band director. There are 38 classified personnel including office staff, custodians, library media assistant, itinerant computer technician, physical education instructional assistant, special education instructional assistants, student services aides and specialists, noon duty supervisors, food services supervisors and extended student services supervisors.

Thirteen percent of the student population are enrolled in the English Language Learner (ELL) Program. Fifty-six percent of our student population is Caucasian, and the largest minority group is made up of students from various Asian backgrounds at twenty-two percent. The students speak over twenty-five languages. Students with special needs are served according to their Individualized Education Plan (IEP). Classroom teachers have been trained in differentiating instruction for all students. We also offer a variety of class placement options each year which may include two-year looping classes, multi-grade and single grade-level classes. A two-year kindergarten program is also offered for students with late summer and fall birthdays.

## 2021-22 School Overview

The parents of Shoal Creek are an invaluable resource in supporting school programs. Volunteers help in the classroom and with school-wide events throughout the year. In addition, the P.T.A. supports a variety of activities and programs throughout the school year, including school assemblies, a weekly newsletter, a weekly video bulletin, a fall festival, parent/child events and guest readers. Also they have assisted with community service drives. Shoal Creek has established an Educational Foundation to raise funds for the betterment of education at the site. Foundation events include Parents' Night Out, monthly "Dinner Out" events, and our weekly Otter Café.

We find that one of our greatest assets is our strong parent/student/staff relationship that maximizes student achievement. This is the embodiment of what a professional learning community can produce. We have a low staff turnover, enabling smoother transitions and communication. The staff continues to seek research-based strategies that support student learning through ongoing training. Our Student Council and the community are active with service projects for our school, as well as projects that benefit the outside community.

### MISSION STATEMENT

Recognizing the unique qualities of each child, Shoal Creek Elementary School is dedicated to the education of all students. Every child will have the opportunity to acquire the knowledge, skills, and attitudes needed to develop a positive self worth, make informed choices, function effectively in a diverse society, and become self-sufficient, independent learners. We will encourage active involvement, cooperation, and communication between the school, child, family, and community. As a school of character we will teach and model trustworthiness, respect, responsibility, fairness, caring, and citizenship. At Shoal Creek we are committed to all students learning.

### VISION STATEMENT

Shoal Creek Otters will be engaged, lifelong learners who demonstrate respect and resilience in all areas of life.

### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2019-20 Teacher Preparation and Placement

## School Facility Conditions and Planned Improvements

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Shoal Creek recognizes the importance of the partnership between home and school and remains committed to supporting the Parents As Partners Core Value. Parents have been included in the improvement process and serve in an advisory capacity on the PTA, Foundation, School Site Council, GATE, ELL, and Human Relations committees. Parent volunteers work in a variety of capacities related to the activities of the previously-mentioned committees as well as in the classroom and the school library. On campus volunteering has been slowly increase as COVID 19 restrictions are lifted.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
<b>Suspensions</b>	0.73	0.00	1.43	0.18	3.47	0.20
<b>Expulsions</b>	0.00	0.00	0.07	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20

## 2021-22 School Safety Plan

Shoal Creek places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fire, lockdowns, and bus evacuations are held. Maintenance staff works with a scheduled preventive program to offset costly repairs at our older sites, whenever possible. Extended Student Services is available to students for before and after school childcare. Additionally, the school follows a site-based Positive Behavior Support Plan, implemented by all staff, to address behavioral concerns.

## 2020-21 Types of Services Funded

The district's general fund includes monies for:

1. General operations—salaries, benefits, services, materials, and support to the general education
2. Special education—programs offering appropriate, individualized education to students with special needs
3. Supplemental grants used to increase or improve services to unduplicated pupils
4. Special projects/grants
5. Transportation
6. Facilities, Maintenance and operations
7. Expanded learning instruction and support to mitigate learning loss related to COVID-19
8. District administration

Each school in the district receives an instructional budget based on enrollment, programs, and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

## 2019-20 Teacher and Administrative Salaries

## Professional Development

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of computer technology in teaching and learning, critical reading, writing and mathematics strategies, effective use of assessments, positive discipline in-services, anti-bias and multicultural training. Teachers and administrators are actively involved in professional development activities at the school, district, state, and national level. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
