## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2018-19)**

Shoal Creek Elementary School, built in 1998, serves 524 students from Transitional Kindergarten through fifth grade, including 36 students in special day classes, from a rich diversity of cultural, ethnic and linguistic backgrounds. Additionally, 40 preschool children attend the parent participation program on campus. The pristine campus is located on top of a commanding bluff in the residential community of Carmel Mountain Ranch. Although Shoal Creek is still a relatively new school, we have attained the distinction of being identified as a California Distinguished School in 2002. The expertise of the staff, the dedication of the parents and the enthusiasm of the students have formed a professional learning community where all partners collaborate together toward the common goal of doing what is best for children and their learning. The community spirit is embodied in our vision statement that proclaims, "You are entering a community where learning is the focus, creativity is encouraged, each individual is valued and success is ensured."

There are 21 certificated, regular education teachers, three special day class teachers and a resource specialist, and speech and language specialist employed on site. There is one part-time preschool teacher, two impact teachers and one English Language Learner instructional aide. Our itinerant staff includes a resource specialist, speech specialist, an adapted physical education teacher, occupational therapist, school psychologist, and band director. There are 38 classified personnel including office staff, custodians, library media assistant, itinerant computer technician, physical education instructional assistant, special education instructional assistants, student services aides and specialists, noon duty supervisors, food services supervisors and extended student services supervisors.

Fifteen percent of the student population are enrolled in the English Language Learner (ELL) Program. Fifty-six percent of our student population is Caucasian, and the largest minority group is made up of students from various Asian backgrounds at twenty-two percent. The students speak twenty-five languages. Thirty students are enrolled in the Resource Specialist Program (RSP). Thirty-six students are enrolled in our special day classes, and seventy-two receive speech and language services. Students with special needs are served according to their Individualized Education Plan (IEP). Thirty-six students in grades two through five are identified as Gifted and Talented. Ten percent of the student population receive free or reduced lunch. Classroom teachers have been trained in differentiating instruction for all of the above-mentioned populations. We also offer a variety of class placement options each year which may include two-year looping classes, multi-grade and single grade-level classes. A two-year kindergarten program is also offered for students with late summer and fall birthdays.

The parents of Shoal Creek are an invaluable resource in supporting school programs. Volunteers help in the classroom and with school-wide events throughout the year. In addition, the P.T.A. supports a variety of activities and programs throughout the school year, including school assemblies, the monthly newsletter and weekly bulletin, a harvest festival, parent/child events and guest readers. Also they have assisted with community service drives. Shoal Creek has established an Educational Foundation to raise funds for the betterment of education at the site. Foundation events include Parents' Night Out, monthly "Dinner Out" events, and our weekly Otter Café.

We find that one of our greatest assets is our strong parent/student/staff relationship that maximizes student achievement. This is the embodiment of what a professional learning community can produce. We have a low staff turnover, enabling smoother transitions and communication. The staff continues to seek research-based strategies that support student learning through ongoing training. Our Student Council and the community are active with service projects for our school, as well as projects that benefit the outside community.

## MISSION STATEMENT

Recognizing the unique qualities of each child, Shoal Creek Elementary School is dedicated to the education of all students. Every child will have the opportunity to acquire the knowledge, skills, and attitudes needed to develop a positive self worth, make informed choices, function effectively in a diverse society, and become self-sufficient, independent learners. We will encourage active involvement, cooperation, and communication between the school, child, family, and community. As a school of character we will teach and model trustworthiness, respect, responsibility, fairness, caring, and citizenship. At Shoal Creek we are committed to all students learning.

## VISION STATEMENT

Shoal Creek Otters will be engaged, lifelong learners who demonstrate respect and resilience in all areas of life.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students  
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	70.0	69.0	74.0	74.0	48.0	50.0
<b>Mathematics (grades 3-8 and 11)</b>	58.0	70.0	66.0	67.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

## School Safety Plan (School Year 2018-19)

Shoal Creek places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fire, lockdowns, and bus evacuations are held. Maintenance staff works with a scheduled preventive program to offset costly repairs at our older sites, whenever possible. Extended Student Services is available to students for before and after school childcare. Additionally, the school follows a site-based Positive Behavior Support Plan, implemented by all staff, to address behavioral concerns.

### Professional Development (Most Recent Three Years)

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of computer technology in teaching and learning, critical reading, writing and mathematics strategies, effective use of assessments, positive discipline in-services, and multicultural training. Teachers and administrators are actively involved in professional development activities at the school, district, state, and national level. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.
