School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Westwood Elementary School staff, parents, and community are dedicated to the intellectual pursuit and social growth of all students.

Through diversified experiences, our students discover their potential, achieve career and/or college readiness, and succeed in a safe and caring environment.

Westwood

Elementary School, built in 1971, is located in the northern part of the city of San Diego in the community of Rancho Bernardo, California. It is one of 26 elementary schools in the Poway Unified School District.

Westwood

825 students represent a rich diversity of cultural, ethnic and linguistic backgrounds residing in a variety of homes from apartments to single-family dwellings. The neighborhood is a pleasant mix of families and retirees. Approximately 47 percent of our students are non-Anglo, the largest groups being Asian and Hispanic. Approximately one hundred fifty of our students speak a language other than English in their homes. These languages include Spanish, Dutch, Russian, Korean, Mandarin, Vietnamese, Cantonese, Filipino, Portuguese, Thai, Lao, Arabic, German, Hebrew, Hindu, Italian, Farsi, French, Polish, Rumanian, Gujarati, Urdu, Punjabi, Serbian, Albanian, and Japanese.

In the spring of 2006 Westwood completed an extensive construction and modernization program as a result of Proposition U funding. The school now has a new multi-purpose room and student lunch area, an upgraded library facility and technology center, 12 new permanent classrooms, 4 learning centers, completely refurbished playgrounds, running track and grass field, and fully renovated facilities in existence prior to modernization.

Recently, Westwood added several features such as window tinting, and shades, retrofitted gates, and a visitor check-in system in order to enhance safety and security. Through PUSD support and family/community donations, each classroom is equipped with 21st century teaching and learning tools such as iPads and Chromebooks, Apple TV, LCD projectors, document cameras, and access to a full computer lab and four computer resource areas.

Westwood Elementary School is a shining example of a school serving a community with diverse needs and interests. Boasting a strong tradition of voluntarism, one cannot enter the school without finding many parent and senior volunteers assisting in student learning. A spirit of collaboration and innovation pervades the school as teachers and parents work together to maximize student learning.

Westwood has received recognition for its efforts to provide quality education for all students. In 2001 Westwood was honored as a National Blue Ribbon School of Excellence (the first Blue Ribbon Award was received in 1994) after being named a California Distinguished School in 2000. In 1993 it received one of 205 California Distinguished School awards.

Westwood was recently recognized once again in 2012 as a California Distinguished School.

Westwood was recognized by the California Business for Education Foundation and Just for Kids California as a 2007-2014 Honor Roll School for public schools with high academic achievement. This recognition validates Westwood's continued commitment to narrow the achievement gap.

Our primary goal for the students of Westwood Elementary is to prepare them to be career and college ready, and to be life-long learners and productive members of society. Our students will be prepared with the foundations necessary for success in middle school, high school, and ultimately college and career. Westwood students are provided an enriched curriculum grounded in the California State Standards. These standards foster critical thinking, collaboration, problem solving, digital citizenship, and responsibility for individual learning. Westwood Elementary has long embraced the Character Counts program, using this framework to support school-wide goals. The entire staff and parent community are involved and committed to providing a learning environment that allows each student to achieve these goals.

The School Plan for Student Achievement incorporates our core values, as well as the vision, goals, and objectives of Westwood Elementary School. This provides us with the opportunity to design our instructional program, integrating all available resources in a coordinated manner to meet the educational needs of all students. This school wide planning process promotes local ownership of the school program and builds communication and collaboration among all staff members and stakeholders.

Westwood is truly dedicated to its community and its students. Our active PTA membership continually provides outstanding assemblies, after school events, and curriculum enhancements that amaze and inspire our students and entire community.

Westwood's volunteers log approximately 1,300 hours per month. Senior citizens play a very active part in our school. Twenty-eight seniors tutor weekly as part of the SHOK/OASIS reading program.

Westwood has on-going relationships with our partners in education, Casa de las Campanas Retirement Village and Hewlett Packard.

Westwood staff and parents feel that our collaborative spirit is our greatest strength. We all work together to create a school environment that is stimulating and student-centered! Working together, we will ensure all of our students are well prepared for college, careers, and beyond.

School Facility Conditions and Planned Improvements

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	80	N/A	70	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Westwood recognizes the importance of the partnership between home and school and remains committed to having parents partner with us to help students succeed at the highest level. Parents are included in the improvement process and serve in an advisory capacity on a number of committees ranging from English Learners to School Site Council. Parent volunteers work in a variety of capacities such as: Volunteer Workroom, Writer's Workshop, Art Corps, Music Appreciation, Book Fairs, Fun Run, Math Olympiad, Science Field Day, and Room Parents. Additionally, parents serve on the PTA as board members and volunteers, the Westwood Education Foundation, School Safety Committee, and others. Senior volunteers read and mentor children through the Seniors Helping Our Kids (SHOK) program. Westwood students also work with seniors through the Partners in Education program. Together, students and seniors from Casa de las Campanas retirement community, participate in a variety of activities each year. These include our school-wide Art Show and Writer's Workshop.

Parents are provided additional opportunities throughout the year to interact with school staff and administration. These opportunities include joining staff in on line events, YouTube live meetings, and joining teachers live in office hours online. We are continually reflecting on partnership and communication opportunities to further build these important relationships.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.2	0.1	1.6	1.4	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.36	.86	
Expulsions	0	0.05	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Westwood places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fire, lockdown and bus evacuation are held. The Westwood office staff continually monitors the Visitor Check-In system and procedures in an effort to ensure safety. Each year, the student handbook was updated and presented to all students, staff, and families. The School Disaster Plan is updated regularly and staff is trained on a regular basis. Updates are made as a part of PUSD's ongoing commitment to school security and safety. In addition, a full safety inspection was recently conducted where over 100 items were reviewed and found to be compliant. The Safety Committee includes certificated staff, classified staff, administration and parents. This committee meets on a monthly basis and updated parents through the weekend wire communication. Extended Student Services is available to students for before and after school childcare. ESS safety plans are in alignment with the Westwood School Safety Plan. This year, COVID protocols were added to the Safety Plan and developed in cooperation with district officials, staff, and the community.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement		4	2

The 2020 - 2021 profession development has a dual focus: supporting students in owning their learning, and providing a rich and rigorous education while virtual due to COVID 19. Areas presented to support this area of focus include Response to Intervention Strategies, goal setting, learning styles, and Specialized Academic Instruction. We continue our focus on Next Generation Science Standards, and first best instructional strategies. Teachers are also receiving specialized training in supporting students with special needs. All instructional staff have also been provided district and site-based training on a variety of topics that support learning in a virtual environment.

Teachers are also afforded the opportunity to participate in District and site sponsored professional development. These workshops are typically presented in a semester or year-long series and support a wide variety of professional growth areas. They include the implementation of state adopted California State Standards, use of effective instructional strategies, implementing the use of computer technology in teaching and learning, effective use of assessments, positive discipline in-services, and multicultural training. Teachers and administrators are actively involved in professional development activities at the school and District. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they achieve NBCT status. Additionally, teachers participate in Teacher Learning Cooperatives (TLC's), most recently in the area of science and technology.

Further focus has been placed on becoming a No Place for Hate School. This has included site level training and district level professional development sponsored by the Anti-Defamation League. Staff is also including students and parent representatives in this learning process.
