

MC MT. CARMEL SUNDEVILS

Hello Sundevils;

In the interest of safety, and as a reminder, I have enclosed our parking lot entrance and exit diagram for your reference. It can also be found on our website. Remember that traffic is the heaviest between 7:10 am and 7:30am. There are several drop-off zones outside our parking lot that may be easier to access and lessen our traffic congestion. These zones are along Sundevil Way and Carmel Mountain Road.

Have a great 2021-2022 school year.

Remember that Being Safe and on Time is the Sundevil Way!
