

Athletic Director Letter

Welcome to Mt. Carmel High School – HOME OF THE SUNDEVILS! It is with tremendous pride and great excitement that I return to a very special place from my past. Participating in athletics at MCHS gave me the opportunity to grow and develop as a young person and the challenges that I accepted were instrumental in my personal/professional development throughout my adult life.

High School education based athletics are an integral part of the educational process. There are many things that are learned on the court/field of competition that cannot be learned in the classroom. Mt. Carmel has an amazing tradition of athletic excellence which has produced 98 CIF Championship Teams, more than 300 individual CIF Champions, and high level scholar athletes across all of its 27 offered sports. Countless number of MCHS alums have competed at the intercollegiate level and several have gone on to experience professional success.

We enter this new year with high expectations and a commitment to excellence. Our student-athletes have worked very hard to prepare for their upcoming seasons and they take great pride in representing their school the **SUNDEVIL WAY**!! With a solid group of committed coaches leading the way, this year promises to be a successful one.

We need your help in order to continue creating a championship culture based on doing things the SUNDEVIL WAY. When attending your favorite Sundevil sporting events, we ask that you display proper **SPORTSMANSHIP** at all times. We want you to enjoy your experience by supporting our student-athletes with positive encouragement and by allowing the coaches and officials to do their jobs without interference. Always bear in mind that the true purpose of high school athletics is to educate. Learning values, especially respect, is why high school athletics exist.

Special thanks to the Sundevil Foundation for their involvement and support of our athletic program. I strongly encourage you to become an active member of this dedicated group of community members. We would also like to say thank you to all the individuals and businesses in the community that have made financial contributions to support Sundevil Athletics. It would not be possible to provide our student-athletes with a quality experience without your continued support.

On behalf of the Administrative Team at MCHS, I would like to wish all of the student-athletes and teams the best of luck for the upcoming season and thank them for their commitment to the overall success of MCHS. Always compete with Sundevil Pride and have victory with honor at all times.

ONCE A SUNDEVIL – ALWAYS A SUNDEVIL!
