

Interested in the art of game design or graphic design? Making movies or cartoons? Designing graphics or visual effects for software?

# MCHS CTE PATHWAY 3D COMPUTER ANIMATION

3D Animation 1-2 meets the UC/CSU "F" Fine Art requirement

Students can take 4 years of this pathway and opt to take AP Studio Art with an emphasis on 3D Animation for college credit

Students begin building a digital portfolio to present to art colleges in the first course
