

Sports Medicine

Interested in becoming a physician, orthopaedic specialist, nurse, surgeon, physical therapist, clinical exercise physiologist, biomechanics physiologist, athletic trainer, physician's assistant, nutritionist, paramedic, EMT, or chiropractor? Jobs in the health-related fields are in demand.

MCHS CTE PATHWAY

SPORTS MEDICINE

ATHLETIC TRAINING

Learn anatomy, physiology, medical terminology, and how to evaluate and rehabilitate injuries. Students can apply to become interns and serve with the site Athletic Trainer at school sporting events. Complete both Sports Medicine 1-2 and 3-4 to complete the pathway. Courses require 20 hours field experience. Courses meet the UC/CSU "G" elective requirement
