9 <sup>th</sup> /10 <sup>th</sup>	Oct. 1	Sure, you are welcome to take the PSAT; get some exposure, see what it's like.
11 <sup>th</sup>	Oct. 1	<p style="text-align: center;">Yes, if you are planning to attend college, you should take the PSAT. Practice is the key to improved scores. So, take the PSAT in October, and then take the regular SAT in the spring. Juniors could end up being National Merit scholars (see below).</p> <p style="text-align: center;"><i>If you are a <u>junior</u> who participates in the free/reduced lunch program, you qualify for a fee waiver. Email a copy of your free/reduced lunch letter to Mrs. Ferrer or Mrs. O'Quin in the Sun Center and she will sign off on your waiver below.</i></p>
12 <sup>th</sup>	NA	Seniors no longer take the PSAT,

The PSAT measures critical reading skills, math problem-solving skills, and writing skills. PSAT results will include feedback on your student's strengths and weaknesses in skill areas necessary for college success. Your student can then focus on areas that need additional study or practice. For more information, please visit [www.collegeboard.org](http://www.collegeboard.org).

**What is the PSAT/NMSQT?** The PSAT/NMSQT (National Merit Scholarship Qualifying Test) is an opportunity for Juniors to enter National Merit Scholarship Corporation (NMSC) scholarship programs should they perform really well on the PSAT. Information about the NMSC programs, entry requirements, and scholarships can be found at [www.nationalmerit.org](http://www.nationalmerit.org).
