

Download Overdrive and Checkout eBooks on your Smartphone

Step 1 - On your smartphone, go to the App Store and download Overdrive.

Step 2 - Create an Overdrive account with your email address and a password. The email will be used to notify you of any holds that are ready for checkout.

Step 3 - Go to Add a library, type Poway into the search box, and tap Go.

Find a library near you:

Poway

Search By Name Location

Step 4 - Scroll down to find Poway USD 9-12 and tap to add it.

Poway USD 9-12
15250 Avenue of Science

Step 5 - Sign in using your MCHS student ID and password. Check the box next to “Remember my login information on this device” so you only have to login once.

Please sign in

Step 6 - The magnifying glass on the right of the home screen brings up the search box. Type the title you want into the search box window.

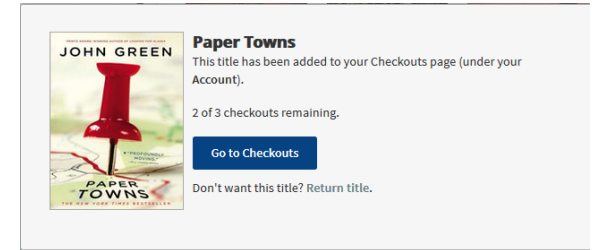

Search

advanced search

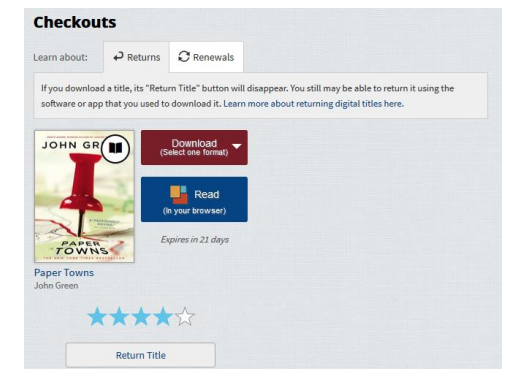

Step 7 - Available eBooks will have a black open book icon. Available Audiobooks have black headphones. If the item isn't available the icon will be gray and may be put on hold.

Step 8 - Tap the title you want and tap Borrow. Go to Checkouts to download the title. Materials have a 3 week checkout.

Step 9 - To read on your smartphone select the EPUB format and download the title.

Step 10 - Start Reading! Your downloaded books will be on your Overdrive Bookshelf. Slide the screen to the right and tap Bookshelf to display your downloaded titles. Tap on the cover of the title to open it on your smartphone.
