MT. CARMEL HIGH SCHOOL STUDENT PARKING POLICIES AND PROCEDURES

Parking on our campus is a privilege and will be revoked if the student fails to comply with the following policies and procedures

initial _____ Students on Tier 2 are ineligible for parking privileges. If a student with parking privileges gets on Tier 2 (due to attendance, grades, or discipline) their parking privileges will be revoked. If you come off Tier 2, you must inform Ms. Kelley before you park in the parking lot.

Administration reserves the right to revoke parking privileges as a discipline response to any inappropriate behavior

- ✓ Seniors and Juniors on Tier 1 only are eligible for parking privileges.
- ✓ **STUDENTS MAY PARK IN DESIGNATED STUDENT PARKING AREAS ONLY** (white stripes). Students parking in any area other than Student Parking will be subject to a City of San Diego Parking Ticket. Fines are paid directly to the City of San Diego.
- ✓ The parking sticker must be placed on the front window, lower left hand corner (driver's side). Stickers not fully affixed will not be valid and the car will be ticketed.
- ✓ Reckless driving will result in the loss of parking privileges.
- ✓ If a student is driving a different car for one day only, they must have a one-day parking pass. To obtain a one-day pass the student should come into the Administration office and request a one-day pass from Ms. Kelley before 7:30 a.m.
- ✓ Citations are issued on vehicles without a valid parking sticker, vehicles with the parking sticker not fully affixed, student vehicles parking in any area other than the student parking area, vehicles parking in red zones, fire lanes, auto shop, behind the school, and various other parking violations. Cars must be parked in a legitimate, lined parking space. Since our parking lanes are one-way only, you may not park against the flow of traffic (back into a space or pull through to an empty space in front of you).
- ✓ Possession of a parking sticker does not guarantee there will be a parking spot available in the student parking section.

The PUSD is not responsible for the theft of or damage to belongings or vehicles parked in the student parking lot. Misuse of parking privileges, violation of parking regulations, or failure to meet established qualifications may result in revocation of parking privileges for the remainder of the school year.
