

Dear Midland Families,

Lost and Found

Our lost and found is getting crowded, especially with water bottles. Please come check it out in front of GATE A every Friday. To help the lost items find your kiddos easier, please label lunch boxes, jackets, and water bottles that you send to school.

Symptom Screening

It is our expectation to keep our schools open and students participating in on-campus instruction. This will take a collaborative effort between home and school to minimize the risk of exposure to COVID-19 on our campuses so that we can keep our schools open and students safe. In order to prevent the spread of COVID-19 in our school community, it is critical to screen your child(ren) before school each day.

PLEASE, do not send your child(ren) to school if they are experiencing any of the following symptoms:

- Fever of 100 degrees or higher
- (Persistent) cough
- Shortness of breath or difficulty breathing
- Loss of taste or smell
- Headache
- Sore throat
- Muscle or body aches, fatigue
- Chills
- Vomiting, nausea, diarrhea, or abdominal pain
- Runny nose, congestion

More than just a Free Lunch

Each year, families have the opportunity to apply for Free or Reduced Lunch to support their students' nutritional needs at school. However, qualifying for Free or Reduced Lunch is not just about accessing school lunches. Students who qualify for Free or

Reduced lunch may receive other supports throughout their K-12 educational experience such as:

- Reduced fees/waivers for ACT, PSAT, and SAT tests
- Reduced fees/waivers for Advanced Placement exams
- Waivers for college applications

Some people have heard that it is only necessary to fill out this form if you want your child to qualify for free or reduced-price school lunch. The truth is that it is important for families to fill out this form because doing so helps bring much needed additional money and services to your child's school and to Poway Unified School District (PUSD).

PUSD receives funding from the state and federal governments to support the needs of low-income students. For each student who qualifies for free or reduced price meals, our district receives thousands of additional dollars in funding. Studies show that many eligible students, in particular middle school and high school students, do not complete this form each year, leaving hundreds of thousands of dollars in funding for PUSD on the table. Even a small increase in eligible forms collected results in significantly more money to support our schools and students.

If you would like to apply, the confidential application can be found at <https://www.myschoolapps.com/Application>

Even if your qualified student chooses to bring their own lunch to school, they may still access these additional benefits.
