

Fall 2022

Dear Parent/Guardian,

We are so excited for your child to attend Cuyamaca Outdoor School! As part of our COVID safety protocols, if a student exhibits any COVID-19-related-symptoms while at camp, they will be tested for COVID at our Health Center.

Cuyamaca Outdoor School utilizes the California Department of Public Health's Binax Now/Primary Health school antigen tests. Please follow the steps below to register your child and provide consent in the event that we need to test your child for COVID.

Step 1: Scan the QR code using your smart device's camera or QR code reader. Or you may enter the provided URL into a web browser on a smart device or computer.

NOTE: If you do not have a smart device or access to a computer, please ask your child's school for assistance.

Step 2: Click "Student Registration". Click "Continue" and complete the brief online form. If given the opportunity, at the "Tag" section, please use the dropdown box to select your child's school's name.

Step 3: After signing and submitting the online form, click the confirmation link to verify your information. You're all set!

Please contact your child's school if you have any additional questions.

Thank you!

Sincerely,

Principal Kris Pamintuan
Cuyamaca Outdoor School

To REGISTER at:

Cuyamaca Outdoor School Covid 19 Testing

Register using your phone!
Registrese en su celular!

<https://my.primary.health/l/cuyamacaoutdoor>

1

Open the camera app on your phone

Abra el app cámara en su celular
