

Oak Valley Middle School

7th Grade Elective Request Form (CRF) 2021-2022

Name: _____

Elective Requests will be completed online with your student's teacher during the week of March 12th, 2021. This form is for informational purposes only. Each student will be enrolled in the following **REQUIRED COURSES OF STUDY: Language Arts, Social Studies, Science, Mathematics, Physical Education, and one elective choice below.**

If your child will not be attending Oak Valley Middle School next year, please email Dr. Chamberlin at schamberlin@powayusd.com with the school your child will be attending so we can forward transcripts.

Pick ONE as your first choice and ONE as an alternate choice.

1st choice	2nd choice	Course ID	Class Name & Description
<input type="checkbox"/>	<input type="checkbox"/>	100210	Art - This class explores art through several different media. This course will provide opportunities for the student to experience art through guided experiences, discussion, and exploration that emphasize Art Learning will occur through a variety of media, including Sculpture, Painting, Animation, Color Theory, and Drawing. You do not need any art experience or talent you just have to be willing to try.
<input type="checkbox"/>	<input type="checkbox"/>	100535	Concert Band - Band is a performance class and is designed for the wind and percussion instrument student. The band will play a variety of music and perform at school concerts and festivals. Instruments include flute, oboe, bassoon, clarinet, sax, trumpet, French horn, trombone, baritone, tuba, percussion (drums/mallets).
<input type="checkbox"/>	<input type="checkbox"/>	100750	Cross-Age Tutoring – Cross-Age Tutors have the opportunity to assist teachers at Stone Ranch Elementary. We make the 20-minute walk there and back. Tutors are assigned to a specific elementary teacher where they may be responsible for the following tasks: reading one-on-one with a student, putting up or taking down bulletin boards, helping a student with math or writing, monitoring students as they work in the classroom, helping a student stay focused and complete their work, playing learning activities with students to build understanding, helping students become engaged with other students during lunchtime and recess time. We believe that being a tutor is a privilege and an honor. We expect our students to be role models the moment we step outside our campus.
<input type="checkbox"/>	<input type="checkbox"/>	100480	Gateway to Technology (Design & Modeling) - This course introduces students to the design process through a variety of experiences that will help bring their ideas to life. Students will either examine the basic elements of 3D modeling from drawing to programming and printing or use the VEX robotic platform to design, build and program a variety of machines.
<input type="checkbox"/>	<input type="checkbox"/>	100481	Gateway to Technology (Medical Detectives/Flight & Space) - Do you want to grow up and be a doctor? How about the first colonist on Mars? In the first half of the year we will learn how to analyze data and diagnose various diseases, learn about the nervous system, and track down the origin of an outbreak of disease. In the second half of the year, we will learn all about the history and mechanics of flight, space travel, and plan a mission to Mars, where you must figure out how to get your crew to Mars.
<input type="checkbox"/>	<input type="checkbox"/>	100301	Introduction to Computers (Beginning Coding) – In this course, students will be introduced to the world of computer science through three highly interactive and collaborative units of study. Unit One covers problem-solving and how computers input, output, store, and process information. In Unit Two, students learn HTML & CSS to design and create their own web pages. Lastly, Unit 3 the Interactive Animations and Games, students create programmatic images, animations, interactive art, and games in Game Lab.
<input type="checkbox"/>	<input type="checkbox"/>	100591	Oak Valley Falcon Singers (7th/8th Grade Chorus) - Students will continue developing the skills taught in Beginning Chorus extending into a more difficult musical repertoire. Students with no previous singing experience are welcome.

<input type="checkbox"/>	<input type="checkbox"/>	100555	Orchestra 2 - Orchestra is a performance class and is designed for the stringed-instrument student. The group will play a variety of string orchestra music and perform at school concerts and festivals
<input type="checkbox"/>	<input type="checkbox"/>	100720	Teacher Assistant (TA) – Assist a specific classroom teacher or staff member (office/library/cafeteria) with clerical responsibilities. Space is limited and it may not work with a student's schedule.
