

COURSE REQUEST FORM

You will need:

- Synergy Log In
- Course Request Form

You will select:

- One Elective
- One Alternate Elective
(in case your first choice is full)

Oak Valley Middle School

Name: _____

6th Grade Elective Request Form (CRF) 2021-2022

Elective Requests will be completed online with your student's 5th-grade teacher during the week of March 12th, 2021. This form is for informational purposes only. Each student will be enrolled in the following **REQUIRED COURSES OF STUDY: Language Arts, Social Studies, Science, Mathematics, Physical Education, and one elective choice below.** Selecting a yearlong course assumes your child will stay in for the year. There is no second choice during the year, as classes are very full. PLEASE do not force your child into a yearlong elective they do not want to take.

If your child will not be attending Oak Valley Middle School next year, please email Dr. Chamberlin at schamberlin@nowayusd.com with the school your child will be attending so we can forward transcripts.

Please Select One

Elective Choice	Course ID	Class Name & Description
<input type="checkbox"/>	100500	6th Grade Band - Band is a yearlong performance class and is designed for the <u>wind and percussion instrument</u> students. The band will play a variety of music and perform at school concerts and festivals. Instrument choices include flute, oboe, bassoon, clarinet, sax, trumpet, French horn, trombone, baritone, tuba, and percussion (drums/mallets).
<input type="checkbox"/>	106008	6th Grade Exploratory Wheel - This class will expose students to the electives offered in 7th and 8th grade. Students will be randomly assigned to three of the following four courses. Class offerings are subject to change based on staffing. <ul style="list-style-type: none">● Introduction to Engineering - In this course, students will learn the basics of engineering and the design process, as well as different forms of sustainable energy. Students will explore concepts that include how energy is currently being consumed, various types of sustainable energy, and how we as individuals can make an impact to create a more sustainable future.● Art - Students will explore the elements and principles of art while working with a variety of media such as paint, pencil, ink, clay, and paper.● Introduction to Computers - In this course, students will get a taste of the world of computer science and introductory coding. Topics include internet safety, password security, and block coding utilizing algorithms, loops, user input, boolean statements, and debugging skills.● Middle School Success Strategies - Success strategies is designed to support students in their transition from elementary to middle school. Using planners, goal setting, time management, study strategies, social and emotional well-being, and navigating new expectations are some of the topics covered.
<input type="checkbox"/>	100590	6th Grade Chorus - This course emphasizes engaged singing with proper vocal production. Singers will be exposed to a variety of musical genres and styles that will broaden their musical and cultural experience through rehearsal and performance.
<input type="checkbox"/>	100550	Orchestra 1 - Orchestra is a yearlong performance class and is designed for the <u>stringed-instrument</u> student. The group will play a variety of string orchestra music and perform at school concerts and festivals.

Looping - Looping is an option open to a limited number of 6th-grade students. *Looping is not an elective, looping students will still select an elective.* Students who are enrolled in the looping program will have one teacher for English and Social Studies and will follow that same teacher into 7th grade for humanities.

OPTIONAL VIDEO

COURSE REQUEST SELECTION

Problems with course requests?

1. Please remember: parents cannot submit requests with their ID. Only student can submit request with their ID.
2. Only enter a single six-digit number in the **Course ID** cell. More or less than six-digits will cause courses not to display.
3. When entering the course number make sure there are **no spaces before or at the end of the number**.

If you receive an error message when trying to submit a request please close the current web browser window you were using and then try visiting <http://sis.powayusd.com> instead of first going thru MyPlan as many have resolved their problem using this web address. If you still experience issues when attempting to submit your course please email sissupport@powayusd.com with that number, what type of computer you're using (PC or Mac) and the browser you were using (Firefox, IE, Chrome, etc) This will help us determine the root cause of this issue.

Thank you.

Click on the [Course Request](#) link

The screenshot shows a user interface for a school district. At the top right, there are links for "My Account", "Help", and "Logout". The main header area includes the "Poway Unified School District" logo and a greeting: "Good afternoon, Ash Falcon, 2/12/2021". On the left, a sidebar menu titled "Home" contains several options: "Messages", "Calendar", "Class Schedule", "Course History", "Course Request", "Grade Book", and "Report Card". The "Course Request" option is highlighted with a red box, and a red arrow points to it from the top-left text. The main content area displays a user profile for "Ash" with the ID "1957108" and the school "Oak Valley Middle".

At the bottom of the window, click on “[Click here to change course request](#)”

The screenshot shows a user interface for course requests. At the top is a light blue header bar. Below it is a yellow box containing the text: "Oak Valley Middle (858-487-2939)", "2020-2021 School Year, Grade: 06", "Selection Time Period: 2/3/2021 - 4/1/2022", and "Counselor:". At the bottom left of the yellow box is a blue button with the text "Click here to change course requests". To the right of this button is a white button with the text "Lock Course Requests". A red arrow points from the top right of the yellow box down to the blue button. The entire interface is enclosed in a hand-drawn black border with a zigzag line at the top and an 'X' at the bottom right.

In the Course ID box, enter the Course ID (from your Course Request Form) of the elective you want to take next year.
