

PC Ethics

1. Have ***unconditional positive regard*** for every person I meet.
2. Respect ***confidentiality*** at all times except in those situations where there is the threat of real or potential danger to the safety of others.
3. ***Refrain from giving advice.*** Respect the ability of the counselee to arrive at his/her own solutions.
4. ***Know when to refer out and get help.*** Know the limits of my own expertise and who to turn to for assistance.
5. ***Outreach and follow-up.*** Extend myself to others and follow up on every contact.
6. Attempt to model ***peaceful and nonviolent behavior*** at all times.
7. Strive to maintain a ***healthy lifestyle*** and a ***healthy self-concept*** (this includes not drinking, smoking or using illegal drugs).
8. ***Abide by school rules and follow the law.*** This includes not cheating, ditching school, doing drugs, drinking, etc.
