

POWAY UNIFIED SCHOOL DISTRICT
Pomerado Elementary School

TO: Parents of Students in Grades 3, 4 and 5

We feel that responsible boys and girls in grades 3, 4 and 5 who live a reasonable distance from school and have their parent's consent should have the privilege of riding their bicycles or scooters to and from school. We would like to point out the following regulations:

- Under the law, a bicycle/scooter is regarded as a vehicle and as such, the rider must obey all of the traffic laws that apply to any vehicle. (Riding on the right hand side of the road, using hand signals, etc.)
- Riding a bicycle/scooter requires wearing a safety helmet at all times.
- Only one rider is permitted on the bike AT ANY TIME.
- The bicycle/scooter is never to be ridden on the school grounds, but must be "walked" if it becomes necessary to move it from one area of the school grounds to another.
- Space is provided below for the bicycle/scooter's make, model, frame and serial number. Please fill in this information. If your child's bicycle should be stolen, this information will help in recovering and returning it to your child. **IT IS NECESSARY TO COMPLETE THIS FOR EACH YEAR.**
- Each bicycle/ scooter should have a lock.
- The school assumes no responsibility for the bicycle/scooter or its accessories.
- The privilege of riding the bicycle/scooter may be suspended by the school if a child does not obey the above or other reasonable safety rules and regulations.

If you wish your child to ride his/her bicycle to school, please fill out the form below and return form to office. Please bring in bike helmet with this form for inspection. This permit expires the last day of this school year.
