

Hello Pomerado Parents,

As we move closer to our October 1 date for reopening for our on campus-students, I wanted to reach out to you with some details. Today's message will contain information on AM/PM classes, and Sunday's message will include details regarding arrival, dismissal, and what the time on campus looks like for our Wildcats.

We do have classes that are remaining virtual learners for now. I know these students will continue to do an awesome job as they follow their VLA schedule and work with their current teacher and classmates. The following classes will remain VLA for now:

- Mrs. Bulda
- Mrs. Ouellet
- Mrs. Allison
- Mrs. Vallejo
- Ms. Murnane
- Mr. Elderson

Our on-campus learners are split into AM and PM groups to help us maintain safety procedures and distancing. **AM students will be learning here at school from 8:15-10:50, and PM groups will be here from 11:50-2:25.** This will give us an hour to clean and sanitize classrooms and high touch points. All students will need to have a quick screening, including a temperature check, before entering the campus. More details on this process will be in Sunday's message, but for now please know that we will start this process at 8:00 for our AM group, and 11:35 for our PM group. Parents will need to stay with students until the screening process is complete, so no students can be dropped off before these times.

Parents of preschool students will be receiving direct information from their child's teacher with regard to schedules and groups, since different pieces may be in place for them.

Thank you for your understanding as we tried to honor requests for AM or PM as much as possible. As you can imagine, this was tricky as we worked within the parameters of students currently enrolled in ESS, required services, and keeping siblings together. Below you will find a link to the AM/PM list for your child's teacher.
