

Pomerado Reopening Details

Arrival

AM Group arrives between 8:00 and 8:15

PM group arrives 11:35-11:50

Upper Parking Lot

- Student stays in car (masks on) for screening by staff (two screening questions and temperature check)
- If temperature is 100 degrees or over, park and wait for staff to come and recheck temperature. If temperature remains over 100 degrees, student goes home.
- After screening, students use hand sanitizer, enter campus through the top gate, and walk directly to class

Walker Gate

- Parent and child wait on sidewalk (masks on) utilizing Xs to ensure physical distancing
- Staff will screen student (two screening questions and temperature check)
- If temperature is 100 degrees or over, parent and student wait for staff to recheck. If temperature remains over 100 degrees, student goes home.
- After screening, students use hand sanitizer, enter campus through the gate, and walk directly to class

Once at class, students wait on Xs outside class until teacher opens the door.

During School

- Students have their own work space, supplies, and partition
- Work spaces are distanced from each other
- Hand sanitizer is present in each classroom
- All students have a 5 minute mask break
- Protocols in place for using the bathroom, and if students are hurt or ill
- Chromebooks go back and forth each day in grades 1-5. Chromebooks need to be charged at home.
- Meals will be delivered to classrooms at dismissal for students to pack up and take home

Dismissal

- Teachers dismiss walkers to the walker gate. Students wait for siblings at lunch tables.
- Teachers walk rest of class up ramp to upper parking lot. ESS students will leave the line at ESS building.
- Classes line up on upper field to wait for parents to drive up
- Staff will call for students as parents drive up
