

# Park Village Weekly Newsletter

October 25, 2021

## Upcoming Events

**10/29:** Halloween Parade 9:15am

## Library Volunteers Needed

The Park Village Library still needs cheerful parents to lend a hand. I especially need help putting away the books after they're returned. Perhaps you can help after morning drop-off or while waiting to pick up your child in the afternoon? You can make a difference in as little as 15-20 minutes. I just need folks to stop by regularly. No experience is required. If you're interested, please email me at [sfleming@powayusd.com](mailto:sfleming@powayusd.com), Thank you!

– Mrs. Shelley Fleming, Library Media Technician

## Halloween Parade

Our school will be parading around the blacktop in costume and families are welcome! Parade begins at 9:15am and special designated viewing locations will be marked for families to watch. Please keep these costume guidelines in consideration:

- No scary, gory, bloody or revealing costumes will be allowed.
- Students are NOT to bring weapons or toys that resemble weapons of any type. Once parade is over, families may exit the campus.

## Harvest Festival

As you may have heard, we made the hard decision to cancel the Harvest Festival this year. It's unclear if it's the timing or just general climate with covid, but we have just not been able to get the response we need to run a successful event. We hope to try again next year. Thank you for your patience and understanding and we sincerely apologize for any inconvenience.

-The Harvest Festival Team

A big *thank you* to our
