## Overloaded with Halloween Candy? Donate it and Earn Money for PV!

Please drop off your leftover candy in the designated container behind the front gates at school. The candy will be collected until November 7. I-Ortho, our wonderful Friend of the Foundation, will pick up the candy, weigh it, and donate \$1 for every pound back to the school. I-Ortho will then give the candy to some of their charitable organizations including Armed Forces, Girl Scouts,

San Diego Rescue Mission, and Casa De Los Pobres.

## Book Fair Sales

The Book Fair **raised over \$2600.00** for the Park Village Foundation!

A huge **THANK YOU** to all the wonderful Book Fair volunteers that enabled this fundraiser to be a huge success as well as the awesome parents who sent in money so their kids could purchase some great books. This could not have happened without all the your support. So thank you again!

## Adopt-A-Family Program

The PUSD Adopt-A-Family program is starting up! We have an incredible opportunity to touch the lives of those in our community who may be having a difficult time. At Park Village Elementary, we are once again committed to helping out several families within our district boundaries. Each grade level will adopt a family. There are hundreds of families in need, so if your neighbors, Book Club, Sports team, Scout Troop, Girl Scout, Bunco group, or even just your individual family would like to adopt a family in need, please let us know ASAP and we will get you a family profile. That is a great way to support families in need, model service, and charity to our children, and be gently reminded of how fortunate we are. The Park Village community has a long history of blessing families through

this program, but we cannot do it without the amazing support of all of families. Please help us to help others this holiday season. For more information please contact Angie Hoar, Program Chair, at [angiehoar@gmail.com](mailto:angiehoar@gmail.com).

## Lost & Found

The PV Lost & Found rack has been accumulating items now that the weather is cooler. Clothing is most commonly left behind on the playground and field. Please remind your students to pick up their sweatshirt or jacket when they are done playing. Lunch boxes and water bottles are also often forgotten, and can be picked up near the lost & found rack, which is located inside the gates near the office.

## Ice Cream Social

PV's first Ice Cream Social of 2018-2019 was a smashing success! Thank you to the students and parents who joined us for ice cream and popsicles. We are excited to announce that we will be continuing the Friday Ice Cream Socials (weather-permitting). Keep an eye on the Weekly Penguin News and posted signage for updates. All proceeds benefit Park Village Elementary.

## Stickers and Penguin Hot/Cold Packs

Have you seen our new Park Village stickers and penguin hot/cold packs? The reusable hot/cold gel bead compress can be heated in the microwave or placed in the freezer for flexible cold therapy. Great for bumps and bruises. Get yours today! Stickers are \$3 and hot/cold packs are \$4. Purchase at Friday Ice Cream Socials or email Allison at [amccclay@gmail.com](mailto:amccclay@gmail.com). Proceeds benefit Park Village Foundation.

## Communication Survey

Park Village Elementary works hard to keep you informed of school news and events. This short, five question survey is to learn where you find it most convenient to obtain information, so we can update our current methods to best suit our community's needs. Survey will **close Sunday, November 11**. Thank you for your feedback! <https://goo.gl/forms/RvUrkFy56LVtRW3O2>

## Thank You to Our Friend of the Foundation: Dean Roland Russell Family Wealth Management

The Park Village Foundation Would Like to Recognize Dean Roland Russell Family Wealth Management as a Friend of the Foundation.

Marc Roland and Andrew Russell, partners at Dean Roland Russell, are fortunate to each have one boy attending and one boy promoted from Park Village Elementary. Mind you, this was no mistake. We believe that a solid, well-rounded education is the foundation for life success. That is why we proudly support The Park Village Foundation and its mission to ensure that the arts, sciences, technology, communication skills and basic life skills are part of the normal curriculum. It is really wonderful to see how excited our boys are after Science Night, getting to use the computer lab or iPads, or learning a new song with Mr. Hodge. We hope that all Park Village children get to continue these great experiences for years to come. We love this community and all of its support for Park Village Elementary.
