Article VII.

Appropriation

All financial appropriations shall be made at the consent of two-thirds of the members and must be recorded in the minutes of the club or organization.

Note: For High Risk Clubs, the following addendum must be added to the constitution, "Any high risk activity must be carried out off campus on a private basis and that there will be no sponsorship, promotion, or management by the school or PUSD. As private activities, there is no need for the faculty advisor to be present."
